## **President:**

Hello Neighbors,

October was a very busy month for DANWA. We went to Eagle Lake for the Del City National Night Out event, Orval Ray Towers for a nice dinner and we had a food drive for the Mid-Del food pantry. I would like to thank everyone who volunteered their time to these events making them a success.

Our October membership meeting was short for business because of all of these events but we did take the time to watch a short video on fire safety since October was Fire Prevention Month. This video covered some very important facts about fire safety and I hope those in the meeting went home and took a close look at their house. Soon all the holidays will be here and that means Christmas trees with all the lights. Please remember about overloading circuits and learn about Christmas tree safety. If going out of town for the holidays, please drive safe, take your time and watch the weather reports before leaving. Those that stay here needs to keep an eye out for your neighbors home. Someday they will return the favor.

Next month is when DANWA elects the officers for 2005. I encourage you all to take the time to get involved with DANWA and make a difference in the community we live in. Come to the December meeting and vote for who you would like to run DANWA. Hope to see everyone at the next membership meeting on November 8 at 7pm at Sunnyslane Southern Baptist Church.

Mike Hucks

## From the Patrol Captain Desk

Hello friends and neighbors:

Another month has passed, we have survived Halloween and are looking forward to Thanksgiving. Now is the time of the year to be very thoughtful about our surroundings. We are starting to get some cold mornings and want to have a little warmth in the house. Please check to insure your furnace is clean and the flame is burning a nice blue flame not a orange color. Did you change the batteries in your smoke detector when we came off day light savings time? Did you make sure the Smoke detector works OK? If you don't have a smoke detector please get one, if you feel you need assistance please call the Fire Department they are happy to provide assistance. If you think I'm a little over-board on the fire thing that is because I am really afraid of **Fires**. The crime static's for last month look better than normal, but I feel we are getting a little more vandalism than we need. The things I see are more graffiti on streets and signs and on the drainage ditches. If you see this happening report it please. I wish you a wonderful day and a good Thanksgiving. Please slow down in the school zones and think about our kids as they walk to and from school.

Keeping pit bull dogs is Prohibited in Del City.  
Article IV. Dogs, from the Del City Code Book

**Sec. 4-47. Keeping pit bull dogs is prohibited.**

(a) It shall be unlawful to keep, harbor, own or in any way possess within the corporate limits of the city any pit bull dog; provided, that pit bull dogs registered with the city within ten (10) days of June 3, 1991 may be kept within the city subject to the provisions of this section.

(1) Pit bull dog defined.

- a. The bull terrier breed of dog.
- b. The Staffordshire Bull Terrier breed of dog.
- c. The American Pit Bull Terrier breed of dog.
- d. The American Staffordshire Terrier breed of dog.

For more information, this code is available from the city. There is much more to read about "leash and muzzle, confinement generally, confinement indoors, insurance, signs, identification photographs, reporting requirements, sale or transfer of ownership prohibited, registration, irrefutable presumptions, and failure to comply".

From this, you might gather that the code is much too large for our newsletter to reprint.

If you are interested, I recommend going to the city to read this three page code and know your rights regarding this issue.

From a concerned reader.

**We received the following email from our Mayor**

Dear Friends,

A young coupled here in Del City named William and Candice Moncrief came home this past Monday evening to find that their home had been burglarized. Just two days earlier the couple had a baby shower but the thieves basically took everything that had for their new baby girl that is due in just 8 weeks along with all their electronic gear.

I just talked with Candice to see how they were doing and asked them what they needed and she says that anything would be greatly appreciated because the thieves took most of everything they had received at the shower.

If you would like to assist this family in any way please feel free to call William or Candice Moncrief at 605-5827. They live in Hartsdale addition and have lived in their home for only 2 months.

Thanks,

**Brian E. Linley**

## Honeymoon

A young couple got married and left on their honeymoon. When they got back, the bride immediately called her mother. "Well," said her mother "so how was the honeymoon?"

"Oh, mama," she replied, "the honeymoon was wonderful! So romantic..." Suddenly she burst out crying. "But, mama, as soon as we returned Sam started using the most horrible language -- things I'd never heard before! I mean, all these awful 4-letter words! You've got to come get me and take me home... PLEASE MAMA!"

"Sarah, Sarah," her mother said, "calm down! Tell me, what could be so awful? WHAT 4-letter words?"

"Please don't make me tell you, mama," wept the daughter, "I'm so embarrassed they're just too awful! COME GET ME, PLEASE !!!"

"Darling, baby, you must tell me what has you so upset... Tell your Mother these horrible 4-letter words!"

Still sobbing, the bride said, "Oh, mama...words like: Dust, Wash, Iron, Cook..."

A minister was completing a temperance sermon.

With great sentiment he said, "If I had all the beer in the world, I'd take it, and pour it into the river."

With even greater emphasis he said, "And if I had all the wine in the world, I'd take it, and pour it into the river."

And then finally, he said, "And if I had all the whiskey in the world, I'd take it, and pour it into the river."

The sermon complete, he then sat down.

The song leader stood, very cautiously, and announced with a smile,

"For our closing song, let us sing Hymn # 365: 'Shall We Gather at the River'.

## C.E.R.T. News

The Del City Citizens Emergency Response Team (CERT) meets on the second Tuesday of each month at the Del City Community Center at 7:00 pm. We invite those who were part of CERT in the beginning and anyone who wishes to become a member to join us at our meetings. We will not meet in December this year. At our meeting on January 11, 2005 we will have elections to decide officers for the year of 2005. Please attend and help us get the new year started. Also in January starting on the 13th we will begin our new training classes. The training will include first aid, triage, fire suppression, light search and rescue, command post operation, etc. This is the same training received last year by several CERT members that was conducted by the State of Oklahoma Emergency Management office. Please join us for the elections and our future training programs. It isn't all work, we have fun doing our exercises.
