From your DANWA

President:

Hello Friends and Neighbors,

Thanksgiving is over and Christmas coming up fast. That means DANWA officer elections for 2005 are coming up also. I hope everyone will take an interest in this community and come to the meeting and volunteer to support this group. DANWA has some of the best volunteers an organization can ask for. They are there when times are hard and the hours are long. They are there when things are slow and we are just educating the community on safety and security and doing our best to keep our children safe. Being an officer doesn't take a lot of time but the reward is a safer community and that's enough for me to be an officer three times now.

This holiday season DANWA is joining up with the local TRIAD, SALT and other neighborhood watch groups to help give a group of individuals a special holiday season. This group is Grandparents raising Grandchildren. We are supporting the Christmas party on Dec. 4th here in Del City for over 140 children of all ages being raised by their Grandparents. We wish them a very Merry Christmas.

Please help our patrollers this Christmas season by watching your neighbor's house if they are going out for just the evening or out of town for the holidays. Crime has been on the rise and its time to take action before it gets out of hand. The holidays are known to be a time of increased crime so that makes it even more important to watch the neighborhood. We can all help take crime out of our community.

Hope to see you on December 13, 2004, at 7pm at Sunnyside Southern Baptist Church for our general membership meeting. Have a safe and joyous Christmas and New Year.

Mike Hucks

ON A TROOP NOTE.....

Scout Corner

Troop 60 had a camp-out last month at Wes Watkins Reservoir, just east of the city. It was a clean and quiet camp. All the grass is trimmed, campers get a key for the bathroom facilities and it was also only \$10 a camp site.

We caught up on a lot of camping skills for the Scouts. If your Son is of age for Scouting he may want to check us out. We have a lot of stuff planned for the next couple of months.

Pack 60 is trying to get restarted in the neighborhood. If you have a young boy in Townsend you may want to get him involved. Cub Scout learn and do a lot of fun stuff and learn about honor, loyalty, and citizenship.

Last Point.

The ACLU has gotten the Department of Defense to tell all of it's military bases they can no longer sponsor Scouts because of our views on God and homosexuality. It is too early to know what effect it will have on Troop

116 and Pack 116 that are sponsored on Tinker.

This group will defend terrorists and rapists rights. This group is getting the mention of God out of everyone's view when you enter a public building.

This group is trying to destroy the Scouting program because we are trying to teach morality and to become better citizens in our community and country.

Their charter is to help the little guy, so he has the same rights as everyone else. I feel, they are on a mission to destroy our society of 99.999% for the .001% that feels their rights are not the same. You cannot satisfy 100% of the people 100% of the time.

How much time do we have left?

John S.

From the Patrol Captain Desk

Hello friends and neighbors:

You may not call me a friend as you read this but remember it is not written as a negative. The past 60 day for our square mile on crime has been terrible. The home burglary actions has been in excess of eight and the vehicle Burglary has been in excess of seven. Does this bother you? Well it does me. I have asked my self why is this happening in my neighborhood? Is it because the Del City Police are not doing their job, **NO** because they are and are making arrest on some of the thefts. Is it because the Del Aire Neighborhood Watch Patrol is not doing everything possible to deter Criminal activity in our area, **NO** because the patrollers are out on the streets looking and reporting any suspicious thing they see. Well then there must be a way the rest of the neighbors can help to deter crime in our area. I know not everyone can be out patrolling the streets in the square but you can be observant of what is happening on your street. **Call the Police on suspicious activity.** I know what is suspicious, (people that don't belong there, vehicles that don't belong at a location when you know no one is at home). I am concerned that we are on a trend to let the criminals take over our neighborhood again, Please join me in taking on the criminals and observe and report suspicious activity. Thanks for taking the time to read this and if you would like to talk more about it my phone number is in the newsletter.

Keeping pit bull dogs is Prohibited in Del City.
Article IV. Dogs, from the Del City Code Book

Sec. 4-47. Keeping pit bull dogs is prohibited.

(a) It shall be unlawful to keep, harbor, own or in any way possess within the corporate limits of the city any pit bull dog; provided, that pit bull dogs registered with the city within ten (10) days of June 3, 1991 may be kept within the city subject to the provisions of this section.

(1) Pit bull dog defined.

- a. The bull terrier breed of dog.
- b. The Staffordshire Bull Terrier breed of dog.
- c. The American Pit Bull Terrier breed of dog.
- d. The American Staffordshire Terrier breed of dog.

For more information, this code is available from the city. There is much more to read about "leash and muzzle, confinement generally, confinement indoors, insurance, signs, identification photographs, reporting requirements, sale or transfer of ownership prohibited, registration, irrefutable presumptions, and failure to comply".

From this, you might gather that the code is much too large for our newsletter to reprint.

If you are interested, I recommend going to the city to read this three page code and know your rights regarding this issue.

From a concerned reader.
