From your President:

Hello Friends and Neighbors,

Well it showed us we can still get hot here in Oklahoma. We broke even with some old records. Hope everyone gets through this without many problems.

School will start again this month, so be careful out there, as we will be having children on the streets going to and from school.

Our cleanup for Del Aire was very successful during July 14—16 at Cheyenne Park. Thanks go to Jimie Hendricks, James Standfill, and Steven Gold for all their help with their trailers and trucks going to different homes and picking up people's trash. These people had no other way to bring it to the dumpsters. Also, thanks to all the other DANWA members for the help they gave monitoring the dumpsters. We had 20 tons of trash hauled off to the dump that weekend. GREAT JOB. We hope to do it again in a couple of months. We will advise you ahead of time in the newsletter.

Congratulations to 4817 Del Aire Dr. The committee choice for DANWA yard of the month.

Until further notice, our **General meeting will continue to be held on the same date as the Patrol Meeting in the courthouse at the Del City Police Station at 7:00 pm.** This month it will be **August 17th.** Hope to see you at the next meeting. Until next month, be aware of your surroundings and be safe.

From the Desk of the Patrol Captain

Hello Friends and Neighbors,

I want to pass kudos to all that participated in the clean up days in the Watch area. I am sure you read in the Presidents article the amount of stuff that was sent to the land fill. I want to say a special thanks to James Standfill, Steven Gold for their efforts and use of trailers to pickup items from people that had no way to get items to the dump site. I want to say thank you to the others that help direct traffic at Cheyenne Park and help us not to break any rules. I want to say I am sorry to those that did not get the newsletter before the event. This brings me to a major point. Some streets did not get their Newsletter until the day of the clean up or days after clean up. I know the monthly newsletter was distributed to the district captains, and block captains in sufficient time to be delivered to the neighborhood on time. I am asking all volunteers whether it be **Patroller, Block Captain** or what, please do what you volunteered to do in a timely manner or let someone know you can no longer do the task and maybe some one else will do it. If this sounds negative, I do not intend it to be that way I am just stating facts. We have such a wonderful neighborhood to live in and can make it even better if we all share just a little bit. Help is needed and a couple hours a month of volunteer time is nothing if you care about you home and neighbors.

Scout Corner

Hello DANWA.

We made it through summer camp. The weather was warm but not as hot as it was 4 years ago when it was 102' in the shade. Our 11 Scouts did great. They earned a combined total of 21 merit badges and some almost finished requirements for their next rank. Our Committee Chair earned the Scoutmaster's Merit Badge, Ralph earned the Adult Woodcarving Trainers Certificate, I won the Scoutmaster's Cook-off Apron with my Cream Cheese and Cherry enchiladas and Robert shot a perfect score with the black powder rifle shooting range. The dining hall food was good. Most items we ate were identifiable. We finished off summer camp with our traditional breakfast at Carl's Jr in Sulfur. We then took the ceremonial jump off the dam at the Little Niagara River in the park in Sulfur. I should have some pictures on our web site soon. <http://members.cox.net/js/size9879/Page1.htm>

The boys want to thank you for the financial help you provided. "Thanks DANWA!"

Upcoming Events: Swimming / Camping at Lake Arcadia. Fishing

SUMMER ALUMINUM CAN DRIVE.

On the following dates, please place your alum. cans you want to donate to the Troop at the end of your driveway by 11am on the listed Saturday and we will pick them up sometime after noon. If you can't wait, call John at 672-0633.

Also, Scout uniform pieces are real expensive and the way some of our Scouts sprout up they grow out of shirts and pants quickly. If you have ANY Scout items you would like to donate place them in a bag for pick-up on the scheduled alum. pick-up dates.

CUT OFF AND TAPE SOMEWHERE FOR REFERENCE.

We again want to remind everyone that DANWA will be voting in new officers again this year and you can take an active part in this splendid community organization. If there is something you don't like about the organization, here is where you can make a difference. Come to the meetings and suggest some needed changes (if any) or maybe, what might make it a better organization. Come take part in this rewarding adventure..... Remember the poster, "**WE NEED YOU.**" Well, you **CAN** make a difference.

Celebrating 23 years serving our community!

A neighbor reports to be on the look out for a black and white Siberian Husky and a mixed breed, part pit-bull and boxer, black with white markings. Animal control hasn't been able to apprehend them yet. The neighbor is concerned that they might attack other animals or even children. If you spot stray dogs, dogs out without a human walking partner, or even stray cats, contact the police department and city hall/animal control. We don't need any of our fellow Del City citizens having to worry about being out or being attacked by loose animals.

Thank you. Teresa
