## From your President:

Hello Friends and Neighbors,

We had a great General Meeting Thursday August 17, thanks to all who attended.

We need to alert everyone about leaving your garage doors open. It is an invitation of being robbed or worse. We are having a lot of robberies by entering through an open garage door. Please be aware of this. On October 13, 14, & 15th we will be having another free dumpster week-end at Cheyenne Park. Cheyenne Park is located at the far south end of Vickie Dr. When you reach the dead-end turn right. For more information on hours and such it will be in our newsletter. Our children are back in school, be careful and watch for them as they cross the streets going to and from school. Danwa has ordered 3 six foot Centennial Benches to be donated for the walking trail, between 29th and 44th along Sooner. They should arrive within the next three months. We will be having a Food Drive for the Mid Del Food Pantry in November, the plastic bags will come with your November newsletter and we will pick up the bags of food Saturday November 11. Please have them out by 8:00 am that morning. We'll keep you updated each month until then. Congratulations to 3501 Vickie Dr. for Danwa Yard of the Month. Until further notice our General Meeting and Patrol meeting will be held the third Thursday of the Month, at the Del City Police station in the court room.

The next meeting will be September 15, 7:00pm. Address is 2800 Epperly Dr. Until next month be safe.

**\*\*\*\*\* THIS JUST IN \*\*\*\*\***

A reader writes: I just talked to my neighbor, and she said she stopped two guys from stealing parts off of another neighbor's car. She heard an unusual sawing sound and looked out of her window and saw two guys, messing around the neighbor's car. She watched for awhile to see what they were up to. They left their car running, one was under the car, the other was pacing back and forth watching for someone to come up, that's when she decided they were up to no good, and walked outside. When they saw her looking on, they got in their car and left. She called the owner and told him what she had seen and he came home and looked under his car and sure enough, they had cut into his exhaust trying to get his catalytic converter. Thought you might want to pass the word around to watch for a navy blue Ford Taurus with a paper tag. Two guys in the early twenties. One had kind of long hair.

**DO NOT TALK TO MY PARROT!!!**

Wanda's dishwasher quit working so she called a repairman. Since she had to go to work the next day, she told the repairman, "I'll leave the key under the mat. Fix the dishwasher, leave the bill on the counter, and I'll mail you a check."

"Oh, by the way don't worry about my bulldog Spike. He won't bother you. But, whatever you do, do NOT, under ANY circumstances, talk to my parrot!" **"I REPEAT, DO NOT TALK TO MY PARROT!!!"**

When the repairman arrived at Wanda's apartment the following day, he discovered the biggest, meanest looking bulldog he had ever seen. But, just as she had said, the dog just lay there on the carpet watching the repairman go about his work.

The parrot, however, drove him nuts the whole time with his incessant yelling, cursing and name calling. Finally the repairman couldn't contain himself any longer and yelled, **"Shut up, you stupid, ugly bird!"**

To which the parrot replied, **"Get him, Spike!"**

## ***From the Desk of the Patrol Captain***

Hello Friends and Neighbors,

I am hoping you have read the crime statistics for the month of June and July. These are not very encouraging. Let's analyze them just a little. Both of these months school is not in session. We see young people out walking the streets at all hours. They appear to be out looking for something to do. The temperature is warm and it appears no one really knows where their children are. Do you know what your teenagers are doing right now?

I want to tell you about a situation that happened in the last few days. A man was setting in his garage with the door open. His wife was giving him a hair cut. A young man walked into their garage and picked up a bag of golf clubs. When he turned to go out he realized they were in the garage and dropped the bag and ran. This all was taking place in broad daylight, how brazen is a thief. I am telling you about these things as information and to ask you to think about what is going on around you. I know each of you have listened or watched the news and heard about the shootings in Bricktown, and other parts of the city. These same things can happen within our area, so how do we deter them. We need to be aware of our surroundings, be aware of things that appear to be out of place, and report suspicious things to the Police. If you would like to really become involved and help deter the criminal element from our area, become involved in the neighborhood watch. According to national statistics Neighborhood Watch areas have a reduced rate of crime in their area. Be a good neighbor and become involved.

P.S. we will be more "neighborhood clean-up day's" October 13-15, see clean up days article.

## Are you a "Participant" or a "Non-Participant" .....

The current officers for the association have been doing their jobs faithfully for a long time and have all expressed a desire to retire, well, not from the membership but from the officer's positions. DANWA needs some fresh minds to see how DANWA functions and to help provide some new thoughts as to what we can do to make DANWA better for YOU, the member!!! There are not enough participating members who want to fill their shoes. WE need some of the "non-participants" to provide some new blood in the association to "participate", provide new thoughts.....Stop and think about what will happen to the neighborhood if there are NO volunteers...there will be no association. With no association, there will be open doors for crime to "RE-ENTER" our area on their terms.

Many years ago when DANWA was new, the members rallied around and were excited by what we were doing for our neighborhood. Everyone worked hard and strived to make this a nice, safe place to live and raise our kids and it worked..... Crime dropped tremendously and we had pride that our neighborhood watch worked!!!

**SO, with similar words of JFK, ask NOT what your neighborhood watch can do for YOU but what can YOU do for YOUR neighborhood watch.**

## DANWA DUMPSTERS for CLEAN UP DAYS

Cut this out and put it up as a reminder for 13-15 October 2006. DANWA is again arranging for dumpsters to be placed for our use for the days listed above. The DANWA area extends from S. Sunnyslane to S. Sooner, and from S.E. 29th to S.E. 44th streets.

We will be hosting another clean-up on the above weekend for **all the citizens in the DANWA area**. The large dumpsters will again be located in Cheyenne park. If you don't know where the park is, go South on Vickie drive as far as you can go, turn right and **there it is!!!**

**You may bring appliances, tree limbs, lumber, metals, even things classified as "Junque" that you no longer want. We will be separating them at the site. Hours of operation will be Friday 1pm - 6pm, Saturday 8 am - 5 pm, and Sunday 9 am - 5 pm.**

**Do NOT bring: batteries, used motor oil, pesticides, paint or tires.**

The City of Del City is supplying the dumpsters, let's put them to good use. If you need assistance in getting some items to the park area, please contact: Jimie Hendricks, 677-1886 or James Standfill 677-2333 ahead of time and we will work to provide assistance.

**Your DANWA volunteers—working for you!!!**
