From your President:

Hello everyone,

As you have probably noticed, warm weather has returned. This brings up several things I would like to discuss. First, everyone should be aware that the schools are out. That means children will be out playing in and around the streets at all hours of the day and evening. This means we need to be extra cautious when driving through our neighborhoods. Children tend to chase all kinds of things into the streets without looking first. More people will be out in the evening after dark, when it cools off, walking and riding bicycles. Not everyone wears the proper reflective gear that they should, making them hard to see until the last second. I highly recommend that anyone out in the streets after dark get a reflective belt, flashing arm band or belt clip. They are not very expensive and could save your life or that of a child.

Next I would like to bring up the subject of open garage doors. As we patrollers drive through the neighborhood, we notice many garage doors open and no one around outside; even at night. It is not uncommon to see 8 to 10 garage doors open even at 11:00 to 12:00 at night. This is an open invitation for thieves to take advantage of the situation. They can quickly remove things from your garage and you will probably not even notice they're gone until you go to use them. It also leaves you open to a home invasion as most people do not lock the door between the garage and the house. The watch recently received a report of a family, in our area, that had someone enter their home at night, while the family slept and stole 2 purses. The family was lucky, it could have been worse.

The last item applies year around. Do not leave a garage door opener in your vehicle, especially if the vehicle is parked outside at night. One of the things that thieves are doing is to break into a car and steal the garage door opener, among other things; and then in a couple of weeks they come back and use the opener to gain access to the home.

I hope everyone has a safe and fun summer.

From the Desk of the Patrol Captain

Hello Friends and Neighbors,

DANWA received the following email regarding our patrollers and a well deserved thank you is warranted

I just want to take the time to thank the neighborhood patrol. It is sometimes a thankless job so I just wanted to express my gratitude. Thursday night around 11PM May 4th, 2007 one of the volunteers noticed my garage door was opened. I happened to be in the back yard working. They kindly stopped to make sure things were OK! Please pass on the thank you to the volunteer!!! Or better yet, all of them JOB WELL DONE!!! I try to wave at the patrollers as I see them and give them a thumbs up.
Mr. Wilson, Del City

I would like to acknowledge the fact that I appreciate the time and concern from the neighborhood watch. I did have a home invasion in our home on Saturday night May 13, 2007 between 10pm and 3am. The thieves came into my home while we were sleeping, my purse was stolen as well as my daughter in laws purse. All of this has been reported to the police department but I just wanted you to be aware of this situation. Thank you for a job well done, it is a huge task that you are so willing to do and thank you again.
Name withheld per request, Del City

Item of interest "Strawberry Quick"

Multiple reports of candy flavored METH are emerging around the nation and have already made an appearance in the Ozarks. This flavored METH is being called "Strawberry Quick"; however, there have been reports of the drug being flavored with chocolate, and various carbonated-beverages flavors. This new drug can appear as rock candy, or as powdered candy—such as *Pixi Sticks*—and is being made to appear less dangerous and more appealing to capture a younger crowd.

Folks, now you are informed more than before. DANWA thanks Steve for the info.

May Meeting Highlights

Thanks went out to all the members that were involved in the Orval Ray Towers cookout. The cookout was a big success and enjoyed by the Orval Ray Towers residents. The membership voted to give Troup 60 of the Boy Scouts \$500 to fund their summer float trip on the Illinois River. The membership also approved putting \$500 in the Patrol Captains equipment account to purchase needed equipment. The membership also approved the purchase of a new printer with a cost not to exceed \$450. The door prize was won by Jimie Hendricks.

** ! Chemical information ! **

If you need to get rid of chemicals and paints you can call 739-1352 (Midwest City Storm Water Quality) and get an appointment to drop those items off at the facility at 2425 South Douglas (just north of SE 29th and Douglas). This service is FREE to Del City residents. They take all types of chemicals; cleaning products, automotive products, lawn products, pesticides, workshop supplies and miscellaneous things like household batteries, fluorescent light bulbs and all flammable products. They also take all types of paints, thinners and stains.

Think about this for a minute!!

The weather is turning nice, you have been outside working in the yard, finished putting up your garden tools or put away the mower and you go inside to relax a minute or two, maybe even take a shower. —

[you forgot to close the garage door]

— Here is a thought from Cpl Beech, put a note on the remote control that reminds you to shut the garage door. Well, he figures the last thing you might do before you go to bed is watch TV.

Another reminder from a concerned reader!!

Be sure to remove your garage door opener from your car. Since some of the cases around town have been where the car was broken in to and the perpetrator got the opener and waited a few weeks [time enough where the previous break-in had worn off a little] before coming back to the house and opening the garage door to do their thievery.

Never - Never
leave valuables
in your vehicle!!!

Preparing for the parade sure takes a long time but it was worth it.

Thousands of folks lined the streets for the annual Shriner's & Armed Forces Day parade.

When was the last time you saw someone ride this kind of cycle?

Our "thanks" go out to the patrollers, police, sheriff department, and surrounding police departments for their help in making this day a GREAT SUCCESS!

Thanks especially to the City of Del City for making it happen!
