From your President:

Hello everyone,

I would like to thank everyone that came out to our ice cream social at the August meeting. I believe everyone had a good time eating cake and ice cream. State Representative Scott Inman made a visit to the meeting and was encouraged to speak briefly. **Representative Inman will be returning at this month's meeting on the 10th. He will be speaking and answering questions.** So, if you would like to meet him, hear what he has to say or have questions to ask, please attend the meeting.

As you may already know, school is back in session. That means that the school zones are active again and the school busses will be running. So please be mindful of both. Not only to prevent possible injury to a child but to keep from getting a very expensive ticket!

A reminder to everyone that **Del City's National Night** out will be held on **October 6th** at 6:00 PM; at Eagle Lake. There will be **free food and entertainment** for everyone. So please plan to attend. Bring the whole family, remind the neighbors and everyone come out and have a good time. Eagle Lake is located about ½ mile west of Sun-nylane on Reno.

Also coming in October is the free dump. Exact dates will be published in the October newsletter.

James Standfill

Dates to remember:

1. DANWA General Meeting will be at Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.
2. CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.
3. Patrol Meeting, at 7:00 pm, Del City Court house, third Thursday of the month.

A reminder to everyone, if you see something that doesn't look right, call the POLICE. If you see someone speeding up and down your street, call the POLICE. If you see someone breaking in to a house, call the POLICE. DANWA is not a policing organization, we are here to help thwart crime and be eyes and ears for the police but the **first action anyone should take is to call the POLICE—FIRST** if it is an emergency, call 911, if it is information or to report a car speeding and you have his tag number, call 672-2443

CALL POLICE FIRST...

Good exercise once a month.

From the Desk of the Patrol Captain

Hello Friends and Neighbors,

Well the kids are back in school and fall is just around the corner. By the time you read this we will be rolling into the football season and some of the best times of the year. I hope all of you have enjoyed your summer as much as I have. Our patrollers have had a busy summer and are looking forward to the slow down of mischievous behavior that we usually experience this time of year. All of the hours put in by your watch group are of no value at all if we don't step back and take the time to enjoy the benefits. So please, while you are observing your surroundings make sure and enjoy them, because if you don't we've wasted the effort...

On another note, the DANWA web site, www.danwa.org, is back up with a new look. Please take a few minutes to peruse the site and give us your input. We have added some new features that we hope will be of some value to the neighborhood and are always open to suggestions for other ways we can improve the site.

Many thanks to all of you who lend a hand or that occasional kind word.

Rex Warlick, Patrol Captain, 249-5927

DANWA “thanks” those people who; go out of their way to mow that little extra along and up to the trail, who pick up trash along the trail, who mow behind their house even if there is a fence between them and the roadway. It certainly helps make the city look better. Maybe we can lobby a little to encourage the city put the trail area among the first in precedence in mowing and making the East side of the city look better.

Our thanks to 48 and 49 for setting up the ice cream social last meeting. It was GREAT!!!!!!!!!!!!!! and tasty toooooo!!!!!!

Find the **BOOKS OF THE BIBLE** Circle the books as you find them.

How many books can you find hidden in this story?

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts and for others it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot, others may require judges to help them. I will quickly admit that it usually takes a minister to find one of them. And there will be loud lamentations when it is found. A little lady says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are sixteen names of books in this bible story.

August Meeting Highlights

The 28 members present were welcomed to the meeting. The Treasurer's report and Crime Stats were reviewed. There was no old business to take care. Members voted to provide \$150.00 to the Del City National Night out to be held at Eagle Lake. Members also voted to make a \$175.00 donation to the Calvary Christian Church for use of the activities center for our meetings. A decision was made to again give out glow sticks during Halloween. The Assistant Treasurer position is now vacant due to the resignation of the Assistant Treasures. State Reprehensive Scott Inman spoke briefly and will return during the September meeting to speak and answer questions. After the meeting adjourned, members enjoyed ice cream and cake during an ice cream social.

If you are new to Del City,
we WELCOME you and
hope you will

participate in the Neighborhood
Watch
Program.

The "glow sticks" for Halloween night are on their way. These help folks see the little ones (and big ones) who are "trick or treating".....

Unique and useful Tips from one of our readers—tell us if it works

Reheat Pizza

Heat up leftover pizza in a non-stick skillet on top of the stove, set heat to med-low and heat till warm. This keeps the crust crispy. No soggy micro pizza. I saw this on the cooking channel and it really works.

Easy Deviled Eggs

Put cooked egg yolks in a zip lock bag. Seal, mash till they are all broken up. Add remainder of ingredients, reseal, keep mashing it up mixing thoroughly, cut the corner tip of the baggy, squeeze mixture into egg. Just throw bag away when done easy clean up.

Expanding Frosting

When you buy a container of cake frosting from the store, whip it with your mixer for a few minutes. You can double it in size. You get to frost more cake/cupcakes with the same amount. You also eat less sugar/calories per serving.

Reheating refrigerated bread

To warm biscuits, pancakes, or muffins that were refrigerated, place them in a microwave with a cup of water. The increased moisture will keep the food moist and help it reheat faster.

Newspaper weeds away

Start putting in your plants; work the nutrients in your soil. Wet newspapers put layers around the plants overlapping as you go cover with mulch and forget about weeds. Weeds will get through some gardening plastic they will not get through wet newspapers.

Broken Glass

Use a dry cotton ball to pick up little broken glass pieces of glass- the fibers catch ones you can't see!

No More Mosquitoes

Place a dryer sheet in your pocket. It will keep the mosquitoes away.

Squirrel Away!

To keep squirrels from eating your plants sprinkle your plants with cayenne pepper. The cayenne pepper doesn't hurt the plant and the squirrels won't come near it.

Flexible vacuum

To get something out of a heat register or under the fridge add an empty paper towel roll or empty gif wrap roll to your vacuum hose. It can be bent or flattened to get in narrow openings.

Reducing Static Cling

Pin a small safety pin to the seam of your slip and you will not have a clingy skirt or dress. Same thing works with slacks that cling when wearing panty hose. Place pin in seam of slacks and - voila - static is gone.

Measuring Cups

Before you pour sticky substances into a measuring cup, fill it with hot water. Dump out the hot water, but don't dry the cup. Next, add your ingredient, such as peanut butter, and watch how easily it comes right out.

Foggy Windshield?

Hate foggy windshields? Buy a chalkboard eraser and keep it in the glove box of your car. When the windows fog, rub with the eraser! Works better than a cloth!

Reopening envelope

If you seal an envelope and then realize you forgot to include something inside, just place your sealed envelope in the freezer for an hour or two. Voila! It unseals easily.

Conditioner

Use your hair conditioner to shave your legs. It's a lot cheaper than shaving cream and leaves your legs really smooth. It's also a great way to use up the conditioner you bought but didn't like when you tried it in your hair...

Goodbye Fruit Flies

To get rid of pesky fruit flies, take a small glass fill it 1/2" with Apple Cider Vinegar and 2 drops of dishwashing liquid, mix well. You will find those flies drawn to the cup and gone forever!

Get Rid of Ants

Put small piles of cornmeal where you see ants. They eat it, take it "home," & can't digest it so it kills them. It may take a week or so, especially if it rains, but it works & you don't have the worry about pets or small children being harmed!

Take baby powder to the beach

Keep a small bottle of baby powder in your beach bag. When your ready to leave the beach sprinkle yourself and kids with the powder and the sand will slide right off your skin.
