## From your President:

Hello everyone,

I hope everyone is surviving the summer so far. I just want to touch on some upcoming events. School will be starting up this month, to the joy of parents. That means that we will have children on their way to and from school in the mornings and afternoons again. As you drive through the neighborhood, please keep a watchful eye out for them. In their rush to get to and from school, they do not always look before stepping into or crossing the street.

Coming up in September on the 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> will be the City Wide Garage Sale. This City Wide Garage Sale is sponsored by the City of Del City. The permit costs you **nothing** but is **required**. You must go to City Hall by **August 28<sup>th</sup>** to obtain your free permit. You will be limited to 2 signs but your address will be placed on a list and publicized. So gather up all the items that you want to get rid of and earn some extra money.

At this month's meeting on August 11<sup>th</sup>, we will have a guest speaker from Del Quest to talk about their program. If you have a child in or entering Del City High School and you want to learn more about this program, please attend the meeting.

The Web Site is up and working, check out the information available at your finger tips!!!

### Dates to remember:

1. DANWA General Meeting will be at Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.
2. CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.
3. Patrol Meeting, at 7:00 pm, Del City Court house, third Thursday of the month.

A reminder to everyone, if you see something that doesn't look right, call the POLICE. If you see someone speeding up and down your street, call the POLICE. If you see someone breaking in to a house, call the POLICE. DANWA is not a policing organization, we are here to help thwart crime and be eyes and ears for the police but the **first action anyone should take is to call the POLICE—FIRST** if it is an emergency, call 911, if it is information or to report a car speeding and you have his tag number, call 672-2443 **CALL POLICE FIRST...**

Birthday's ?  
Anniversaries ?

Our thanks to the block captains who distribute the newsletters each month. Our intent is to get them out before or on the first week of the month. It's a minor job but one that is certainly appreciated in order to get the information out to all the people who read the newsletter. Thanks very much block captains!!!

## July General Meeting Highlights

The 16 members present were welcomed to the meeting. The Treasurer's report and Crime Stats were reviewed.

Under old business: The membership voted to go ahead and set aside money to purchase 30 more patrolers shirts.

Under new business: The idea was presented to purchase trash cans to be added next to the benches along the Memorial Trail. The city will be contacted to see if it would be possible. The idea to either sponsor a scholarship or make a donation to the existing Townsend School scholarship was presented. Information will be gathered and presented at the August meeting.

The door prize was won by Eva Beebe.

## From the Desk of the Patrol Captain

Hello Friends and Neighbors,

I hope everyone is enjoying the dog days of summer and staying as cool as possible. The heat hasn't seemed to slow down the vandals and thieves at all this year. We had increases in pretty much all of the areas of crime reported over the month of June. Hopefully July will slow them down some.

Of course the cost of gasoline is having an effect on pretty much all areas of our lives and the neighborhood watch is no different in that aspect. Our patrollers not only donate their time but also their own resources in the area of patrol vehicles, maintenance and the gasoline to keep them on the streets. They are able to claim their mileage as a tax deductible donation which helps a little but with prices as they are today it's an extremely small payback. At least one of the other Del City watch groups is seriously considering disbandment because of the inability to get volunteers out on the streets.

**(Continued on page 5)**

## Scout Corner

Hello DANWA.

Well we made it thru summer camp. All Scouts came back all it one piece but a little tired. It rained only one day this time the rest of the time it was in the low 90's. The biggest improvement was the new bathroom facilities they installed. Individual showers and latrines for everyone.

Our 6 Scouts earned a total of 23 merit badges at camp. Some are kayaking, rifle shooting, motor boating and weather. Jason M, one of our newest scouts, earner a total of 6 merit badges. Michael P. was shooting bull-eyes all day long with the black powder rifles, Ralph earned his kayaking merit badge and Seth earned the rigorous lifesaving merit badge. Two of our adult leaders also earned their rappelling instructor cards. Now we can go rappelling on our own. We lost out on the Scoutmaster cook-off this year. A tube of biscuits with some cinnamon and butter beat our bread pudding.

I hope to get some pictures on our web site soon.

**Up-coming events.**

Next month we will do some small boat sailing at Eagle Lake. We are also planning to do some Geo-caching in the surrounding areas. And we are planning to make breakfast for the members of the church to show our appreciation for allowing us to use the church for our meetings. November we will attend the Veteran's Day Flag retirement ceremony at Choctaw Park. If you have any Flags that need to be retired let me know.

We want to thank all of you that are helping us by collecting aluminum cans. Each bag helps lets these scouts learn, have fun and hopefully become model citizens in the community. If you have cans please drop them off at my place or call 672-0633 and I will pick them up.

John SM Troop 60

**From the Desk of the Patrol Captain (Continued from page 4)**

We do not want to see this happen to any of the existing watch groups. Please take a minute to look at your daily schedules and if you think you could afford to donate an hour or two a week give us a call. We can always use new patrollers and we try to keep the schedules as flexible as possible to accommodate our volunteers.

As always please try to be safe and enjoy your summer. And above all thank you for all you do to help make our neighborhood a great place to live.
