MAY 2011

## From the DANWA President:

Hello everyone,

You can tell that warm weather is here because larcenies and vandalism's are up. Larcenies (thefts) jumped, I believe, because now that the weather is warm, people are leaving their garage doors open more and they are doing yard work or other things where they have items outside. These items such as lawn mowers, weed eaters, bikes, and such are an open invitation to someone driving around looking for items to steal, to pawn, and get cash. So do yourself a favor and put your items up and close that garage door if you are going into the back yard or in the house. You may think "I'll only be inside a second"; but it usually takes longer than you plan. So, be on the safe side and put it up and close that door. There is also another reason to close that garage door. Most people do not lock the door between the garage and the house. If you are working in the back yard, someone can go through the garage and into the house without you knowing it. You could possibly walk in on someone stealing your stuff or have someone walk in on you!

Burglaries for the month of March were initially listed as 3; but after police investigation that number was reduced to 1 actual burglary. The other 2 were changed to some other category. So, we are still in good shape and hope to keep it that way.

I want to remind you about the Shriners and Armed Forces Day Parade on May 14<sup>th</sup> at 10 AM. It's a fun event for everyone to attend. Grab your flag; the lawn chairs; bags or buckets for the kids to collect candy and trinkets in and come on out for this great parade. Be safe.

**\*\*We still need someone to volunteer for Patrol Captain, surely there is someone out there who would like to take on this minor task. \*\***

**Thanks to the Community Action Agency for all you do for us!**

**We continue to remind everyone that DANWA is NOT a policing agency, we are a Neighborhood Watch Association. We are extra eyes and ears for the neighborhood when we are out patrolling. We have no authority to arrest, detain, stop or chase suspected suspicious activity. We can watch the same as any other individual and report to the police what we see or hear. We can't stop someone from doing wheelies on a motorcycle but we can report it to the police the same as any other individual.**

**SO, if you see suspicious activity, someone hot rodding, a vehicle who continues to run stop signs, call the police 677-2443 or if an emergency, call 911, the police will determine that the circumstances are while they are providing that service. Editor**

## Scout Corner

**Hello DANWA membership,**

Matt is almost done with his Eagle Rank service project which is organizing and coordinating the painting of the 3 rooms at the church that are used for Sunday school. We got all 3 painted and have all the murals almost finished. We will have before and after pictures on our web site next month.

Like always, nothing to do then everything at once. We have a camp-o-ree this month, DC parade, Memorial Day ceremony at the 45 Division Infantry next month. A burger fundraiser at the boat races at Eagle Lake in June then our trip to Lawton.

Also want to Thank DANWA for their support for the Troop. Without them we could not do the things we do.

Check out some of our pixs at... <http://photobucket.com/Troop60SFSR>

If you have a son interested in getting out and learning some interesting stuff, come out to one of our meetings.

Please save your aluminum cans for us. If you have cans you can call (John - 672-0633) or drop them off. Remember each bag helps pay for dues, equipment and helps keep the cost of events down. Please no aluminum pans or foils. The metal recyclers yell at me when there is foil in the bags.

Thanks,

John, SM T60
