DANWA General Meeting—
Calvary Christian Church in the
annex just north of the church,
3900 Epperly Dr. at 7:00 pm,
second Monday of the month.

The Patrol Meeting will follow
the General Membership meet-
ing at the Calvary Christian
Church annex.

CERT General Training Meet-
ing, at 7:00 pm, Del City Com-
munity Center, second Tuesday
of the month.

Hello everyone,

The statistics for larceny, residential and auto burglaries are about the same as last month. As usual, most of the residential burglaries are taking place during the day while people are at work or out of the home. Items from two of our recent burglaries have been recovered. Two individuals were found to have stolen items in their passion during a traffic stop and were charged. Other items were found in a local pawn shop and the pawing individual has been identified and is under investigation.

A reminder that school is out for the summer and that means there will be children out and about in our neighborhoods all day long and later after dark. Children do not always look before they run out into the street or while riding their bicycle, so please keep watch for them as you travel throughout our neighborhood.

There are several items of interest. The Del City Police have moved into their new building. There will be an official open house at some point in time but a date has not been set as of this time. The new Outdoor Warning System will be going in as soon as the poles are received. The new devices will be located as close to the center of each square mile as possible. In our neighborhood that device will be located around SE 37th St. and Vickie. And finally, due to the amount of rain we have received, it does not look like there will be any water rationing this summer as the level of Lake Thunderbird has come almost up to normal. Be Safe!

FOR SALE

DANWA has three 3-wheel tricycles for sale.

They are EZ Roll Regal Tricycle's. Lesser value three wheel bicycles are listed on internet sites for used bicycles at \$245.00 and up.

These tricycles have adjustable tricycle length, seat adjusts up and down as well as front to rear. They have 3 speeds and a rear basket. They have been used very little and are in very good condition. The tires may need replacing as they have been stored and have gone flat. These tricycles sold new for around \$450.00 on sale.

We are asking **\$100.00.**

The DANWA news POLL was not a promising one. The response was underwhelming to say the most and can only lead to the following: Since there are some who would rather get the newsletter via email or internet, please feel free to go to **www.danwa.org** where many DANWA newsletters are available. A BIG THANK YOU TO THOSE WHO RESPONDED Editor.

Lend a hand! We need Block Captains for:

1. S.E. 43rd between Sunnyslane and Wofford
2. Suntane Street & Suntane Circle

Please call Jim 677-5044

WE NEED MORE VOLUNTEERS! Can you help?

Block captains are a vital part of our volunteers who deliver the newsletter to our neighbors doors.

We still need some help for block captains—Some people are delivering two and three routes, can you give them a hand? A route could be 5 houses or more.

Would you like to help? It's good exercise one day a month.

Block captains— if you have or are having problems delivering your newsletters, please let your District Captain know immediately so they can help or help find someone to assist you. We must make a strong attempt to get the newsletter out before the first of the month of the newsletter....

May 2012 Meeting Highlights

Scout Corner

Hello DANWA, Here is a list of some notable people that have earned the rank of Eagle.

Saluting the Top Scouts

Some of these people are pioneers of space; others in music, business or scientific innovation. Some have fought battles far afield; others, closer to home. But all of these legends share one thing in common: They've relied on Boy Scout and Eagle Scout training to help them lead inspiring lives. Hats off to some of the most prestigious Scouts:

EAGLE SCOUTS

Neil Armstrong: First human to set foot on the Moon; astronaut, test pilot and naval aviator; flew on the Gemini 8 and Apollo 11 missions
William Bennett: Former U.S. Secretary of Education
Michael Bloomberg: Current Mayor of New York City

William C. DeVries, MD: Transplanted first artificial heart
Arthur Eldred: First Eagle Scout
Philo Farnsworth: inventor and patented the television
Gerald R. Ford, Jr.: 38th U.S. President [Gold Eagle]
Steve Fossett: Adventurer, president of the National Eagle Scouts Association. Still missing after his plane crashed in the Nevada desert.
[Louis Freeh: Former director of the FBI
Robert M. Gates: current U.S. Secretary and former Director of the Central Intelligence Agency (CIA)
William "Green Bar Bill" Hillcourt: Danish Knight-Scout said to be the father of American Scouting [Gold Eagle]
L. Ron Hubbard: Author of Dianetics; founder of Scientology
Larry Kellner: CEO of Continental Airlines
John F. Kennedy: 35th U.S. president
Dr. Alfred Kinsey: Insect biologist, human behavior researcher
James Lovell: Astronaut; flew on missions Gemini 7, Gemini 12, Apollo 8 and Apollo 13; former president of National Eagle Scout Association
J. Willard Marriott, Jr.: President, Marriott Corporation
Jim Mora: Legendary NFL coach
Michael Moore: Author, Oscar-nominated documentary filmmaker
H. Ross Perot: Businessman, former presidential candidate
Mitchell Paige: Marine Corps hero who was awarded the Medal of Honor for his actions during the Battle of Guadalcanal; also walked 200 miles to enlist in Marines on his 18th birthday
Jim Rogers: CEO of Kampgrounds of America (KOA)
Donald Rumsfeld: Former United States Secretary of Defense, former representative and ambassador to NATO [Gold Eagle]
Brig. Gen. Robert Scott, Jr.: World War II Flying Tigers Ace
Stephen Spielberg: Top film director; made a movie of his troop while getting a photography Merit Badge [Gold Eagle]
Richard H. Truly: Retired Navy vice admiral and astronaut; flew on shuttle missions STS-2 and STS-8; first former astronaut to head NASA

We currently have openings for 3 boys to join our ranks. ***We do not need parents.*** We do not require spending any money on uniform parts till he is well established in the Troop and wants to continue. John

Also want to Thank DANWA for their support for the Troop. Without them we could not do the things we do.

Check out some of our pics at...

If you have a son interested in getting out and learning some interesting stuff, come down to one of our meetings

Please save your aluminum cans for us. If you have cans you can call (John- 672-0633) or drop them off in my truck or on the side of the house. Remember each bag helps pay for dues, equipment and the cost of events down.

Please no aluminum pans or foils. Thanks,

John, SM T60

STORM WATER POLLUTION PREVENTION REMINDERS

During the summer months there are some easy ways to reduce the amount of pollutants that enter our streams and creeks through storm water runoff.

Closely follow the instructions on any chemicals that are used on lawns. If you are instructed to water the lawn within a certain period of time, do that, rather than allowing rain to wash the chemicals in to storm drains.

Grass clippings should not be allowed to go down the storm drain.

Grass clippings, leaves or other organic items can never be put directly in creeks or drainage channels.

Wash your car on the yard the dirt and soapy water will be soaked into the ground and not go into the storm drain. An even better method is to use a car wash.

Recycle used oil at Public Works – 671-2874 and dispose of household hazardous waste by calling 739-1049

If you notice anyone dumping anything into the storm water system, contact the Code Enforcement Hotline 670-7379 or Public Works at 671-2874.

Little known tip regarding your grass clippings, especially if you fertilize—by returning the clippings to your lawn, the fertilizer in the clippings will continue working on your lawn and the grass will slowly work itself back in the yard as thatch which will eventually turn into dirt.
