Hello everyone,

I hope you had a good 4th of July and the summer is going OK. We had a jump in residential burglaries in May. There were 9 burglaries, up from the 5 we had in April. I have mentioned before about being aware of what is going on around your portion of our neighborhood. Well thanks to an alert individual, a burglary was stopped and a dangerous individual caught in the act and arrested. The following is the Officers report. So you know, the RP stands for reporting party.

Today day shift officers responded to a subject jumping a fence at 48xx Del Aire. Upon my arrival I made contact with the RP and he advised that the suspect had knocked on the front door and then returned to the vehicle. The RP also stated that the suspect got a back pack out of the truck before jumping the east side fence. I went to the front door and just as I was going to turn the door knob the suspect opened the door from the inside. The suspect had a blanket full of things. The suspect shut the door and locked it. I ran to the side of the house until other officers could arrive. Officers arrived and we made entry into the residence. The suspect surrendered after we announced that we were coming in. The suspect walked out of the NE bedroom. The suspect was taken into custody without further incident. I located the blanket that the suspect was carrying. There was a computer monitor and key board inside it. There was also a fully loaded semi automatic pistol with the blanket. The home owner was notified by telephone of the incident. The homeowner advised me that he does not own a pistol and there should not be one in the house.

CHARGES: BURGLARY II AND POSS OF FIREARM DURING COMM OF FELONY

As you can see, one alert and concerned person can make a difference. Just think how much difference could be made if everyone watched what was going on around their neighborhood.

Several items I want to mention; the next Free Dump will be on the 14th, 15th & 16th of September. The Open House for the new Police Department building will be July 12th from Noon to 5 PM. Hope to see you there if you can make it. We will have a representative from Del Quest at our Membership meeting on July the 9th to speak about that program. Be safe!

WE NEED MORE VOLUNTEERS! Can you help?

Block captains are a vital part of our volunteers who deliver the newsletter to our neighbors doors.

We still need some help for block captains—Some people are delivering two and three routes, can you give them a hand? A route could be 5 houses or more.

Would you like to help? It's good exercise one day a month.

Block captains— if you have or are having problems delivering your newsletters, please let your District Captain know immediately so they can help or help find someone to assist you. We must make a strong attempt to get the newsletter out before the first of the month of the newsletter....

Our dog in the attachment went missing this past Monday (June 10), and I have reason to believe he may still be in the neighborhood. Any response is appreciated.

Scout Corner

Hello DANWA,

Last month was an active month. We had our sailboat set up on our truck for a parade float for the DC parade. Some spectators were amazed to see our boat floating down Sunnyslane. We plan on doing a lot of sail boat merit badge training this summer. We also participated with 12 other Color Guard units for the "Massing of the Colors" ceremony at the 45 Inf. Division on Memorial Day. The scouts get a real sense of pride when they are marching with notable Honor Guard units.

Our hamburger fundraiser was cancelled when the remote control boat club did not have enough entries for the races.

We also helped with the dump day in June.

Next up, Turner Falls for some fun in the sun and falls.

We currently have openings for 3 boys to join our ranks. **We do not need parents.** We do not require spending any money on uniform parts till he is well established in the Troop and wants to continue.

Also want to Thank DANWA for their support for the Troop. Without them we could not do the things we do.

Check out some of our pics at... <http://photobucket.com/Troop60SFSR>

If you have a son interested in getting out and learning some interesting stuff, come down to one of our meetings

Please save your aluminum cans for us. If you have cans you can call (John- 672-0633) or drop them off in my truck or on the side of the house. Remember each bag helps pay for dues, equipment and helps keep the cost of events down.

Please no aluminum pans or foils.

Thanks,
John, SM T60

FYI, If your refrigerator keeps freezing up it most probably the defrost heater circuit is bad. On mine, it defrosts the freezer 3 times a day. If the on/off switch goes bad or the heating elements go bad, your freezer will ice up and stops cooling. It's time for servicing.
