DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

OCTOBER 2012

From the DANWA President:

Hello everyone,

The crime statistics for the month of August did not change much from the month of July; what did change is the fact that most of the incidents took place in business and apartment complexes. There were two residential burglaries. In one of those, the burglar just walked in through an unlocked side door. The auto burglaries dropped from 9 to 4 in our area. In other areas there have been reports of people being dropped off on streets then making their way down the street looking for unlocked vehicle doors. Some items have been removed from unlocked vehicles, when the vehicle was in the garage but with the garage door open. It's sad to say that it is getting harder to keep the stuff we work for from those that want to steal instead of work.

The testing of the new Out Door Warning System should start soon. The new system has voice announcement capability. The contractor has started installing the systems in parts of Del City. The new poles, with the entire system already attached, are stood up complete and no wiring needs to be installed as the system runs off solar power and batteries.

Some other items you may want to make note of are:
The last free dump for this year will be on October 26th, 27th and 28th. If you miss this last one, you will still be able to get a reduced dumping fee at the Oklahoma City Landfill at SE 74th and Bryant anytime of the year. You will have to take your water bill.

The Volunteer Appreciation Dinner for all our great volunteers will be held Thursday, October 25th at 6PM at the MWC Golden Corral on Air Depot. This is the thank you dinner for all the volunteers that keep our organization running. Hope to see all you volunteer's there.

The Del City National Night Out will be held at Eagle Lake on October the 6th at 6PM. This is for all Del City residents to gather together for free food, music and fun. So come join us! Did I mention that it's FREE!

As a reminder; if you just cannot wait to get a copy of our newsletter or you want to check on the month's upcoming events, our newsletter is available on our web site, www.danwa.org, usually by the 1st of the month. Be Safe!

Hello DANWA,
Last month, we did do some canoeing in the river at Lake Overholster. The water was a little low and slow but we had fun. By the time you get this we will have participated with the Webelos Woods campout where we taught some younger scouts on primitive cooking like pigs in a blanket, fluffer-nutters and donuts.

While looking at some of the food web site I found a web page that may make you smile and wonder.

<http://all-funny.info/real-list-of-national-days>

We currently have openings for 3 boys to join our ranks. **We do not need parents.** We do not require spending any money on uniform parts till he is well established in the Troop and wants to continue.

Also want to Thank DANWA for their support for the Troop. Without them we could not do the things we do.

Check out some of our pics at...

If you have a son interested in getting out and learning some interesting stuff, come down to one of our meetings

Please save your aluminum cans for us. If you have cans you can call (John- 672-0633) or drop them off in my truck or on the side of the house. Remember each bag helps pay for dues, equipment and the cost of events down.

Please no aluminum pans or foils. Thanks, John, SM T60

A reader writes and wants to make everyone aware of a possible Medicare scam:

I received a telephone call today needing info about my address and etc. Male caller with foreign accent claimed I would be receiving new Medicare card.

Our people need to know not to give out any personal info. Better to hang up. Pass this along to your friends and neighbors. Gail S.

Bottom line here is DON'T give any information to someone who just up and calls you on the phone wanting information!
