Del Aire Defender

DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

DECEMBER 2012

From the DANWA President:

Hello everyone,

The low September numbers for residential burglaries and larcenies did not continue during the month of October. There was a big increase in these crimes; from 1 & 5 to 7 & 17 respectively. All the residential burglaries as well as most of the larcenies took place during the day. Four of the burglaries were made from the back side of the house by prying a door (1) or breaking a window (3) to gain entry. Of the remaining three, 2 had no forced entry; 1 was domestic related, 1 was a family friend and in 1 the burglar was scared off by the occupant. There were two individuals caught and arrested for one of the crimes. I assume the criminals have started shopping early for the Holidays to avoid the rush this month. We all realize that during this time of the year most people have extra items around their homes that have been purchased for Christmas.

As the end of the year approaches, it is time for Neighborhood Watch to hold their Officer Elections. If anyone is interested in applying for one of the Officer positions, please contact Carol Standfill at 677-2333 to submit their nomination. The vote will be held at the December Membership meeting with the Officer's assuming duties at the January meeting.

As I mentioned before, the holiday season is here. I am not going to go into my usual long list of holiday precautions as most of you have read it all before. I will just advise everyone to be aware of their surroundings while out shopping. Ladies watch over your purses and yourselves. And above all, do not make the criminals' job any easier!

I want to wish everyone a Very Merry Christmas and a great New Year! As always, Be Safe!

James Standfill

2/13

It was a beautiful day, just a little chilly to start with but beautiful anyway, and the runners were raring to go when the dedication of the E-3 airplane replica was unveiled. The runners began their 5K (3.2 mile) run, jog, walk, within the Del Aire Neighborhood Watch perimeter. Timing was estimated to be between 18 minutes and one hour which turned out to be pretty close. Even our Ward 3 Councilman participated. Kudos for all who participated not only in the course but the persons helping with traffic control and aid stations. I must also thank the folks at Tinker and AWACS for their help along with many of their runners and groups of runners. Way to go Del City, way to go Tinker. Editor note: the seal for the City of Del City is on the front of the airplane and the caption of "DC-1" is on the tail.

Information and tips

If you haven't done so already, check out the new businesses Sooner Road mall (between I-40 and S.E. 29th on the west side of the road). A couple have not opened yet but it appears there are going to be some great offices to the west of the first row of businesses. Discount Tires is doing great and Buffalo Wild Wings is doing well, especially during sporting events.

The new Super 7-11 at S.E. 29th and Sunnyslane is nearing completion and there will be additional spaces for businesses within that area also—let's go Del City.

The new construction of the S.E. 15th street area between Vickie and Sooner has been completed and is handling traffic well.

Christmas is approaching rapidly, don't forget to lock your car, cover or hide all presents from the view of a would be thief, i.e. put things in the trunk of the car - - out of sight out of mind. Same with the house, don't display your packages around the tree where outside thieves can readily view what they want to take; and finally, remember to cut up the boxes of big ticket items, i.e. TV, Computer, Stereo and dispose of them in the trash can. Don't just lay the box outside the dumpster because that thief now knows exactly what he is looking for.

Merry Christmas and Happy New Year to all.
