DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

MARCH 2013

From the DANWA President:

Hello everyone,

Residential Burglaries for the month of January were up from December and from a year ago, with 6 being reported. That is 2 more than December and 4 more than January of last year. According to the Police Monthly Burglary Report, Del City wide burglaries dropped 47% from January of 2012. The reported burglaries for the DANWA area tripled for that period. In a departure from what has been happening, burglars hit residences throughout the area instead of around the perimeter of our area. Auto Burglaries were also up but all took place in the apartment complexes along Sooner Road. Del City Police contribute the city wide drop in burglaries to increased patrols in the residential areas. We will see what the future numbers show in the coming month's to see if the reduced numbers hold for the city.

Some other information pulled from the Monthly police Statistics; there were 4,163 calls for service by Officer in January. The Investigations Division was assigned 87 cases of which 47% were cleared and resulted in 19 arrests.

The Free Dumps start up again this month. You will find a list of dates and times for this year in the Newsletter. We will keep the list in the newsletter until the Free Dumps end. We have also tried to standardize the times, with all dumps being open at least the minimum hours of 1 to 5 on Friday, 9 to 5 on Saturday and 1 to 5 on Sunday. Be Safe!

I couldn't pass this up -

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the shed, the boat, making beer...Always something more important to me.

Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute, and when I came out again, I handed her a toothbrush. I said, "When you finish cutting the grass, you might as well sweep the driveway".

The doctors say I will walk again, but will always have a limp.

For you pet walkers/exercisers.

Whether you walk your dog on the trail or along any city street or sidewalk, we ask that you pick up after your doggie when he or she does their duty. There also is a city ordinance that also advises of your animal being on a leash, please be advised as the police can issue a citation. Pets (dogs, cats, etc.) running loose and not on a leash—if they go outside the owners fences, i.e. in the front yard or while walking, they **MUST BE ON A LEASH—ALL THAT TIME.** Cats are no exception, they can't just run loose.

IF you have any questions regarding the comments in this article, please call Del City Animal Control 677-2443.

DANWA would like to express our greatest gratitude to all the members who are renewing their membership, ESPECIALLY those who send in more than just their dues. We must remind all that there are no paid officials or contractors, we are all volunteers and use our own money and assets to fuel our vehicles as we patrol. Some have sent in extra funds with comments to help pay for fuel, etc. Again I must remark—we are volunteers and nobody is paid for any of the work/volunteering done. The dues are used to fund our projects locally within our area with few exceptions, for example, the Tinker Food Pantry assists soldiers in need of goods until they can provide otherwise or help to restock after a winter storm. Other different projects are voted on by the general membership monthly that help our local schools, etc. Again, DANWA appreciates your generosity and wanting to help.

We also accept volunteers.....especially Patrollers— - as a patroller, you will be provided a radio and taught how to patrol and or be a base station...check it out. We also need someone to fill the position of Patrol Captain....call James 677-2333

Application information

This happens every year but I never seem to get it out before the applications get started. When filling out the information on the Del Aire Neighborhood Watch Association application, we only have the information you send us and if there are no phone numbers for us to contact you by or if you don't have an emergency contact, someone close by (not in California or New York) then here again, we don't have a way of contacting you. Because you filled out the information 3, 4, 5 years ago, doesn't mean it is still the same. So remember to provide as much information as you can, that's how we contact you if your garage door is open and it doesn't appear that anyone is home. It doesn't do any good to contact someone out of state for something like that..... And on a very strict note, DANWA does not allow your application information to be provided to anyone outside of DANWA and within DANWA, it is very strictly limited and guarded.

Don't forget to place your used newspapers, shredded paper (preferably within a plastic bag) any old white paper in the Townsend dumpsters for recycling but remember - - - - -

NO PHONE BOOKS OR CARDBOARD

A reminder that the proceeds from these collections go to the school for the students.
