DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

APRIL 2013

## From the DANWA President:

Hello everyone,

The crime statistics for the month of February were very good. The overall numbers were about the same as usual; however most of the incidents took place at businesses or in the apartment complexes leaving the residential area in good shape. Any crime in our square mile is never good but realistically we will never have a time when there are not any crimes. Our goal is to keep the crimes as low as possible in the residential areas as we do not patrol the apartment complexes and our patrols have no effect on crimes at businesses.

A recent article in The Oklahoman (March 21, 2013) expressed concern by Police (in Midwest City) about the reluctance of people to call the Police when they witness crimes taking place in their neighborhoods. Multiple witnesses to a string of daylight burglaries throughout area failed to call Police while burglaries were happening. This applies everywhere! I cannot understand why anyone would not report a crime they were watching happen. You pick up the phone and dial 911 and tell the dispatcher what you see. Even if what you see just looks suspicious but you are not sure, call it in. According to Chief Taylor, there is nothing better for stopping crime than a nosey neighbor! Remember, the next time the criminal comes back; and they will come back, it might be your home they select!

I have an item to pass along from the Community Policing Officer, Sgt Wofford. There will be an Informed Senior seminar Friday April 19<sup>th</sup> 2013 from 8 AM to 12:30 PM at the Oklahoma City Community College. The location is 7777 S. May Ave, parking lot "D", College Union Building. There will be **FREE** Education and Resources for seniors and those that care for them. Seminar Sessions: Problem solvers panel regarding Medicare, Social Security and Legislation Affecting Seniors. Also, Breakout Sessions: Scott Hines, Channel 4 Consumer Reports; OKC Fire Department Fall and Fire Prevention; Mail Fraud U.S. Postal Inspection Service. Be Safe!

Would you like to help out and be a part of DANWA? You don't have time to be a DANWA Patroller? You can help by following some simple suggestions:

Look out your window right now. Look up your street. Look down your street. Look across the street. See anything suspicious? Was there anything out of place? (For extra credit, go look out your back windows all around your back yard.) Now that didn't take long did it?

As little as you think about it, those are some of the simplest things to do. Next, do you have a cell phone? Let's say you are on your way to the store, ANY STORE, to get some milk or dry goods, take a look around as you drive to and from the store. Watch out for suspicious activity; say someone has a truck, could even be a U-Haul in the driveway. Maybe someone is looking around watching things or there are a couple of people loading the truck really FAST!!!

**If it looks suspicious call 911**

Guess what? You just helped!!!! Your neighborhood. DANWA is about helping our children be safe too!!!
