DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

JUNE 2013

From the DANWA President:

Hello everyone,

The crime statistics for May are about the same as last month but some lower than this month last year. As it has been for a while now, a majority of the homes burglarized have been around the perimeter of our neighborhood just off the major streets. Information from the Police is that home owners and vigilant neighbors stopped several burglaries before any property could be taken from residents in other areas of Del City.

I mentioned last month about the public shelter possibly closing. The City manager has confirmed that the Del City shelter has been closed. Residents will no longer be sheltered there during storms. Everyone that has been relying on the Del City shelter should now make other arrangements for sheltering during a storm. Information I received says that there are no shelters in any of the communities around us either. Based on the recent storms in our area, being above ground in any building is not safe due to the strength of the storms we have been getting reticently.

If you attended the Armed Forces Day Parade last month you saw the two new Fire Rescue trucks that Del City purchased. They are really fine looking equipment vehicles. They will be receiving one more new fire truck soon. Be Safe!

Dates to remember:

DANWA General Meeting—
Calvary Christian Church in the
annex just north of the church,
3900 Epperly Dr. at 7:00 pm,
second Monday of the month.

The Patrol Meeting will follow
the General Membership meet-
ing at the Calvary Christian
Church annex.

CERT General Training Meet-
ing, at 7:00 pm, Del City Com-
munity Center, second Tuesday
of the month.

There is a change coming to the bylaws regarding the removal of “tax exempt information” along with a couple of minor corrections and updates at the June General Meeting

DANWA thanks Wayne and Freida for picking up the trash along the memorial trail walking path on Sooner. This helps our Del City look good. Actually, if there is anyone else who helps do this, we thank you and would like to add your name to the list if you let us know.

If you own a Ford F-250 or F-350, be cautious as they are being targeted as high theft vehicles and the police departments are reporting no recoveries. Suspected they are immediately travelling to Mexico and stripped or stripped then pieces sent to Mexico. **KEEP AN EYE OUT!!!**

Need block captains to deliver newsletters once a month, contact

1. On Epperly from 41st to 42nd Terrace
 2. On 43rd from Sunnyslane to Mickey
- Contact Jim Highfill

Our thoughts and prayers go out to all the tornado victims of the latest tornados.

Remember the kids are out of school now, so watch for them in on and around the streets.

A reminder that DANWA has the capability to locate your storm shelter by using the Global Positioning System (GPS) and will pass the information along to the fire department. In the case of a tornado leveling things or covering a shelter with debris, the GPS will aid fire fighters the coordinates for location. Questions, call Joe 672-0409 or James 677-2333

STORM WATER POLLUTION PREVENTION REMINDERS

During the summer months there are some easy ways to reduce the amount of pollutants that enter our streams and creeks through storm water runoff.

Closely follow the instructions on any chemicals that are used on lawns. If you are instructed to water the lawn within a certain period of time, do that, rather than allowing rain to wash the chemicals in to storm drains.

Grass clippings should not be allowed to go down the storm drain.

Grass clippings, leaves or other organic items can never be put directly in creeks or drainage channels.

Wash your car on the yard the dirt and soapy water will be soaked into the ground and not go into the storm drain. An even better method is to use a car wash.

Recycle used oil at Public Works – 671-2874 and dispose of household hazardous waste by calling 739-1049

If you notice anyone dumping anything into the storm water system, contact the Code Enforcement Hotline 670-7379 or Public Works at 671-2874.

Don't forget to place your newspapers, shredded papers (in a plastic bag) and other papers in the recycle bins at the northwest end of the Townsend parking lot. If the bins happen to be full, call the number on the bin and they will come pick them up.
