From the DANWA President:

Hello Neighbors,

My name is Ron Mc Call. I was installed as your 2014 DANWA President in January. I shall endeavor to serve you the best that I am able. Should you have any suggestions or comments, please let me know by bringing them to the general meeting, or by e-mail at danwapres@cox.net.

You'll notice that inside this news letter, this month, is the annual renewal form for DANWA. While I do encourage you to fill out and send in the form promptly, please consider joining your neighbors in some of the activities of your association (some noted below). I realize that time is very valuable, but time spent with friends is always good.

Speaking of friends, February is the perfect time to remember that very special friend, your valentine. I would suggest that you don't wait until the 14th to let them know how you feel though. Paraphrasing a quote I heard a long time ago - If you want to be treated like a king, treat your spouse like a queen every day.

In parting, please join me in giving a special "THANK YOU" to every one serving in our military, especially those who are away from home.

Do you know what your \$12 a year DANWA membership (\$1.00 a month) actually does for you?

It helps the patrollers notify, locate, contact, and watch for:

- possibly seeing someone in a back yard or elsewhere they aren't supposed to be
- maybe catch water running out of the house or garage due to a broken pipe
- possibly spot a strange light (say a flashlight) moving around within a house when nobody is supposed to be there; for instance the owner of the residence is gone on vacation or the house is VACANT
- possibly an open garage door, it's dark around the residence, and nobody answers that home phone, nobody answers their emergency phone number – **DANWA calls the police**
- maybe the alarm is sounding and DANWA assists by notifying the police and continues to watch the house while waiting for the police to arrive and assists the police with an emergency number to call
- possibly a dome light remains illuminated in your vehicle and you aren't aware of it
- your car door's open and everything else is dark – no one around
- elderly might live alone and newspapers or mail start piling up – need to contact someone to see if the occupant of the resident is okay or needs attention
- let's say you go on vacation – DANWA patrollers make extra attempts and safety measures to watch the house
- there might be a lost or stray animal – DANWA can help watch for them
- many times a child or elderly person gets lost – DANWA helps watch for them, no matter what neighborhood they are in

In all the actual cases above, DANWA made and will still make an attempt to contact the numbers or emergency contacts you provide when you become a member.

To the non-members, any of the scenarios above could happen to you as well – who would we call? Being a non-member, we have no information, your membership might be more important to you than you realize.
