DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

APRIL 2014

## From the DANWA President:

Greetings Friends and Neighbors:

Have you ever noticed that the faster you go the behinder you get? Here's what I mean, the other day I was racing around trying to get as many items off of my to-do list as possible. In spite of my efforts to cross all the eyes and dot all the teas, every thing seamed to turn to poop. Finally, in frustration, I threw up my feet, set on my hands and looked around. To my amazement, despite all of my hard work, the world seamed to be doing pretty good. The sun was shinning (somewhere), the birds - ( you know the rest ). So I took all of that poop and fertilized the flowers. Now there all kinds of sayings about smelling the roses, making lemon aide, and eyes on others, but one of my favorites: This life is not a dress rehearsal, there's no do-over's.

The police chief has already put out the word, with the warmer weather, the bad guys are going to be more active. So watch out, you've worked hard for your treasures. A little pro-active measures will go a long ways to safe guarding your property.

Like most of you, I enjoy eating. That's why I've already decided what I'm bring to the covered dish supper. Oh you didn't get the word? But we talked about it at the March meeting. Ok ! here's the skinny - Monday, April 14, 2014, 6 p.m. Calverary Christian Church annex. Contact Rose May Bolton for detail. Our monthly DANWA will follow the supper at 7 p.m. See you there.

## YOUR PETS

dogs must be on leash if in front yard or while walking them—**ANYWHERE - IT'S THE LAW.** Yep, you have to contain your cats too, they just can't roam free. Got a question, ask Dona Boone, Del City Animal Control Officer. **If it is an emergency call 911** If just a stray or questionable animal behavior of some animal call 922-0663, Dona will assess the situation.
