From the DANWA President:

Welcome Friends and Neighbors:

I trust everyone is doing well and had a pleasant April. The covered dish dinner we had on the 10th went very well. The food was excellent and we had a good time enjoying each other's company. It was generally agreed that we'll do something like that again.

As most of us are aware, May is Oklahoma's most active severe weather month. If you get a Del City utility bill, then you received an insert in with your bill concerning preparedness. At the May 12th DANWA meeting, Major Brandon Pursell, from the Del City Fire Department will give a presentation on being tornado ready. So you'll want to be sure to join us.

If you haven't quite got that garage cleaned out or all of those tree limbs disposed of yet, you have another chance for the Del City free dump coming up on May 16th (1-5pm). 17th (9am-5pm). 18th (1-5 pm).

Ok! We didn't have a circus, and some of us already live in a zoo. Soooo how about a parade. That's right, it's time for the annual Armed Forces Day—Shiners' Parade. Now I can't promise that there will be 76 trombones but there will be marching bands, clowns on funny little vehicles, and of course representatives from the military and a whole lot more. Come watch, May 17th, the parade starts at 10am. from I-40, south on Sunnyslane to S.E. 29th, then east to Linda Lane. See you there!!!

We can't stress and remind you enough to keep your dog/cat/animals on a leash and not allow them to run lose, it's violation of the city ordinance and laws and to add a reminder, you are responsible for your dog/cat/animal biting someone .

Attention!!!

The City of Del City is designated as a Municipal Storm Sewer System (MS4) community, permitted by the Oklahoma Department of Environmental Quality (DEQ). As a MS4 community, we are required to monitor storm water runoff within the City. This includes illicit discharges—prohibited substance to the municipal storm sewer system that is not composed entirely of storm water. Some of these discharges include:

- Grass in the Street
- Swimming Pool Water or Chemicals
- Yard Waste
- Household Hazardous Waste and Chemical
- Wrecked or discarded vehicles, appliances or equipment
- Tree limbs, leaves, etc.

The ultimate objective is to protect water quality and reduce the threat to humans and wildlife. To this end, should you see a violation, **please contact Code Enforcement at 405-670-7379 or at codecomplaints@cityofdelcity.org. Your phone call can be anonymous.**

Ladies and Gentlemen, this means DON'T dump your waste in the drainage ditches, DON'T let your grass, etc. collect or blow to the curbs or the MIDDLE of the street!!! If you are having someone mow your yard, remind them to not blow YOUR grass to the street!!!

Please help Del City to maintain that quality by following the city's guidelines.

Don't forget to recycle your newspapers, scrap papers, even shredded papers and old magazines. Look for that yellow and green container, there are several in our area.
