DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

JUNE 2014

From the DANWA President:

Greetings Friends and Neighbors:

WOW! How's that for a parade? I counted 95 entries. The Shriners are always fun to see with their variety of different vehicles, large and small, 2-3-4 wheeled, old and new. The law enforcement and first responders were well represented. The band, horses, and politicians and the list goes on and on. The best was the support for our men and women of the military. Especially encouraging was the number of young people enrolled in junior R.O.T.C.

A big thank you to Major Brandon Pursell of the Del City Fire Department for the wonderful presentation at the May meeting. It was a very informative evening to learn about tornado safety and tornado history.

O K time to break out the soap box. By the time you receive this newsletter school will be out for the summer. Kids of all ages will be out and about all day. Slow down, drive defensively (and responsibly), stay focused, and put that cell phone away. That chit-chat call isn't nearly as important as the welfare of someone else, especially our children.

I hope everyone had a good holiday and I look forward to seeing you at our next general meeting on June 9th.

Happy Birthday Pat S.

Need block captains to deliver newsletters once a month, contact

1. On Epperly from 41st to 42nd Terrace
2. On 43rd from Sunnyslane to Mickey

Contact Jim Highfill
677-5044

1. Montclair from Bismarc to Oakbrook

Contact Yvonne Hirsch
670-3971

1. Newport between Del View and Vickie

Contact Steve Gold
670-2878

Come on folks, just a little bit of volunteering won't hurt much. If you can help with any of these please contact either of the District Captains above. It's really not a hard job and proves to be good exercise by delivering the newsletter door to door for your particular block or blocks.

May 2014 General Membership meeting highlights

Minutes were approved
Treasurer report was approved
Crime Stats were presented
Dump dates were updated
Major Pursell gave a presentation on tornado preparedness.
Voted to donate to Townsend super party and scholarship fund
Voted to donate to Del City scholarship fund

RoseMary Bolton won the door prize

Meeting adjourned at 8:45 pm

Storm Shelter Locations

If you have a Storm Shelter and desire to have it "marked" with GPS (Global Positioning System) technology and registered with the Del City Fire Department, contact one of the DANWA officers and they will arrange to come out with a GPS reader to provide you with the Latitude and Longitude numbers. These will also be provided to the Fire Department database list. Note this list is not published to the public but kept by the Fire Department for emergency services if needed, i.e. tornado that wipes the home off its foundation. If you want to see if your shelter is registered with the DCFD call 671-2891.

Del City Fire Department Receives Specialized Smoke Detection Equipment for deaf or Hard of Hearing Individuals.

The Del City Fire Department, through a partnership with the Oklahoma Assistive Technology Foundation, Oklahoma ABLE Tech and Fire Protection Publications at Oklahoma State University, has received a limited quantity of free specialized smoke detection equipment available for deaf or hard of hearing individuals in the Del City community. The equipment includes smoke detectors, strobe lights and bed-shakers. The equipment will be installed in the homes of deaf or hard of hearing by trained Del City Firefighters who recently completed a 4 hour "Firefighters Serving People with disabilities" course, as well as a 2 hour "Smoke Alarm Installer Training" course.

For those interested in receiving the free equipment to be installed in the homes of an individual who is deaf or hard of hearing, contact Brandon Pursell at the Del City Fire Department at 671-2891 during normal weekday hours between 8am and 5pm, or leave a message for a return phone call. The free equipment is first-come first serve and is only available until the end of June.

Mrs. Oliver's fourth grade class at Townsend Elementary breaks open a piñata to celebrate their success during the school's book fair fundraising contest. Townsend Elementary of Mid-Del Schools ended their Spring Book Fair on May 13 with a fiesta for the top three fundraising classes. These students raised money to purchase books for Del City children in need. Casa Juanito of Del City generously donated Mexican foods for these students to enjoy during their fiesta.

USE THE "CLEAR" BUTTON

Using the "clear" button that is located on the buttons on the gas pump usually in the lower left hand side. People are getting really desperate due to the constantly rising gas prices. A friend just told me about something that happened to one of his coworkers. She used her credit/debit card to purchase gas at the pump (like most of us do). She received her receipt like normal however, when she checked her statement, there were two (2) \$50.00 charges added in addition to her purchase. Upon investigation, she found out that because she did not press the "clear" button on the pump, the employee inside the store was able to use her card to purchase his/her own gas! To keep this from happening, after you get your receipt, you must press the **"CLEAR"** button or your information will be stored until the next customer inserts their card.

(DANWA has not verified this information but it doesn't hurt to think about this on any machine that uses a credit card)
