DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

MAY 2015

## From the DANWA President:

Greetings Friends & Neighbors,

First, let me thank all of those who came out and helped with the free dump last month. Your help was greatly appreciated. The good food and fine fellowship we enjoyed at the covered dish dinner, last month was outstanding, we will have to do it again.

Well, is everyone ready for the parade coming on May 9th? As always, its promises to be quite the event, with a bunch of entries. So bring your lawn chairs, coffee, iced tea, water, or soft drinks (no alcohol please) and get ready for a 10 am kick off. Hopefully you'll need your sun screen and not your rain gear. Then at 1 pm we have the dedication of the six new AWACS planes on Sooner Rd.

Then on May 11th, Bill Graham from Del City Public Works will be at DANWA's General Meeting. Not only will he be addressing subjects such as water, trash, sewer, and road work, but has agreed to answer you concerns and questions. It promises to be an educational evening.

DANWA Patrol Captain, James Standfill has once again, done a great job of compiling the information from CPO Lt Bradley Rule, and presenting it here in the crime Stats section. Be sure to take a hard look at them, some curious trends maybe developing.

The other morning I stepped outside after one of those overnight rain storms, we've had this spring. There was a very light breeze and the air had a crispness to it, but was full of all of the sweet aromas of spring. The sun had only been up a short time, and hadn't had time to melt away the rain drops, so that they appeared to be diamonds glistening of the grass. A robin and a cardinal were singing their songs of love to their mates. A squirrel scampered up a large pecan tree to the safety of its branches as a hawk soared high amongst the few remaining clouds. The serenity of the moment was very calming. Now if you are looking for a moral to the story, I'm not sure I have one. But for me the moment was very reassuring. Hopefully we all will savor many more such moments.  
May the Lord bless and keep you and yours.

Ron McCall, DANWA President, 677-7923 [danwapres@cox.net](mailto:danwapres@cox.net)  
God bless America!

There are a lot of people out walking at different times to include at night and have discovered quite a few animals running around that are not tagged or don't have a nametag or some kind of identification on that would depict the owner or where they belong. Check your pet's tags to make sure there is enough information on them that someone could return the animal if necessary. If you see one running around without an owner attached, call the Animal Control.

Guest speaker at May meeting is to be Bill Graham, Del City Public Works Director.

National Night out will be Sept 26th at Eagle Lake, plenty of eats....

Another bit of information regarding cars and parking. City ordinance says the car must be moved every 24 hours, if not moved after 72 hours (three days) it can be towed at the owners expense.

Also, please advise your lawn workers to NOT BLOW THE GRASS IN THE STREET!!!! First it makes their fresh mowing job look crappy!!! Second, the EPA takes it out on the City of Del City and Lord knows we already have enough government and problems..... Please be wise and help make your neighborhood look good. Thanks.....
