DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

JUNE 2015

## From the DANWA President:

Greetings Friends & Neighbors,

First let me thank Bill Graham from the Del City Public Works Department for joining us at our May meeting. The information he presented was very good and helpful. We're planning on having other speakers in the upcoming months, so if you have someone of interest, let us know.

I have a letter from Del City Police Chief, Phil Taylor, thanking all of those who assisted with the May 9th, Shriners and Armed Forces Day Parade. I'd like to echo his appreciation.

This last May has made us very weather wary, what with all of the high winds, tornadoes, heavy rain, and flooding. If you or someone you know where affected, my prayers go out for you.

Folks, as summer approaches, I hope you will take care. Remember the insect repellant for the mosquitoes and ticks, Be safe with your outdoor sports and activities, especially where motorized vehicles are in play.

Remember to check for your address as one of our winners, then come to the June 9th meeting to collect your prize. See you then. May the Lord Bless and Keep All.

Ron McCall, DANWA President, 677-7923 [danwapres@cox.net](mailto:danwapres@cox.net)  
God bless America!

## National Night out will be Sept 26th at Eagle Lake, plenty of eats....

Another bit of information regarding cars and parking. City ordinance says the car must be moved every 24 hours, if not moved after 72 hours (three days) it can be towed at the owners expense.

Also, please advise your lawn workers to **NOT BLOW THE GRASS IN THE STREET!!!!** First it makes their fresh mowing job look crappy!!! Second, the EPA takes it out on the City of Del City and Lord knows we already have enough government and problems..... Please be wise and help make your neighborhood look good. Thanks.....

## Dates to remember:

DANWA General Meeting— Calvary Christian Church in the annex just north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.

The Patrol Meeting will follow the General Membership meeting at the Calvary Christian Church annex.

CERT General Training Meeting, at 7:00 pm, Del City Community Center, second Tuesday of the month.

## YOU MAY BECOME OUR NEXT WINNER

It's simple, it's easy, and all you have to do is be a DANWA member. Continuing with our June 8<sup>th</sup> meeting we are going to draw, at random, the house address of up to four, DANWA members. The winners will receive at least a \$25 gift card. If the winners aren't at the meeting, their address will appear in the next news letter. You have the next two meetings to come and claim your prize.

## May winners are:

4205 Wofford

4713 S.E. 41st 3388 Del Aire Place

3376 Del Aire Place

### Airplane placement and dedication

In case you didn't know there are 12 replicas of the E-3 aircraft along the Sooner Road walking trail. Each one of those airplanes were able to be placed there by donations from various people and organizations. The group is placed in a line and appears to be an E-3 airplane doing a "touch and go". For the layman, a "touch and go" means the practice of landing and taking off but uses less fuel since the aircraft is almost air-borne and certainly gives the pilot and co-pilot practice in actions necessary to fly that aircraft.

Happy Birthday

### Ways to protect your home from burglars: (short version)

- Secure all doors and windows
- A loud dog helps, if you have an animal
  - A home security system
  - Motion sensor lights
  - Surveillance cameras
  - Protection warning signs
  - A trimmed and tidy yard
- The appearance that someone is home
- **HELPFUL NEIGHBOR**
- **Don't be bashful if something looks suspicious, call 911**

If you're interested in watching or racing or building Radio Controlled (RC) boats, come join the fun. Check out the website for more information at:

www.oklahomamodelboatassociation.net

There are several classes of Nitro and Gas powered boats to watch race, different full classifications and speeds up to 80 mph with motors capable of up to 30,000 rpm.

Here's a little more information about the above boat races.

Lunch: The "American Cancer Society" will be selling hamburgers, hotdogs, chips, and soft drinks.

Seating: Bring your lawn chairs and ice chests.

If you're interested in racing in this event call Jimmie Fendrych at 405-808-3068

## STORM WATER POLLUTION PREVENTION REMINDERS

During the summer months there are some easy ways to reduce the amount of pollutants that enter our streams and creeks through storm water runoff.

Closely follow the instructions on any chemicals that are used on lawns. If you are instructed to water the lawn within a certain period of time, do that, rather than allowing rain to wash the chemicals in to storm drains.

Grass clippings should not be allowed to go down the storm drain. Grass clippings, leaves or other organic items can never be put directly in creeks or drainage channels.

Wash your car on the yard the dirt and soapy water will be soaked into the ground and not go into the storm drain. An even better method is to use a car wash.

Recycle used oil and anti-freeze at Public Works – 671-2874 between 8:00—3:30 weekdays. If you have household hazardous waste, call 739-1352 and make an appointment to drop it off.

If you notice anyone dumping anything into the storm water system to include creek areas, contact the Code Enforcement Hotline 670-7379 or Public Works at 671-2874

Our thoughts and prayers go out to all the tornado victims of the latest tornados and flooded areas from our recent rains.

Remember the kids are out of school now, so watch for them in on and around the streets.

A reminder that DANWA has the capability to locate your storm shelter by using the Global Positioning System (GPS) and will pass the information along to the fire department. In the case of a tornado leveling things or covering a shelter with debris, the GPS will aid fire fighters the coordinates for location. Questions, call Joe 672-0409, Ron 677-7923 or James 677-2333.

### Try WD-40

It protects silver from tarnishing, removes road tar and grime from cars, cleans and lubricates guitar strings, keeps flies off cows, restores and cleans chalkboards, removes lipstick stains, loosens stubborn zippers, untangles jewelry chains, removes stains from stainless steel sinks, remove dirt and grime from the barbeque grill, removes tomato stains from clothing, keeps glass shower doors free of water spots, keeps scissors working smoothly, removes black scuff marks from the kitchen floor, lubricates gear shift on lawn mowers. The basic ingredient is FISH OIL.

White schnauzer about 7-9 lbs with ears that stand straight up. Reward for any information that leads to her find.

**Lost Dog**  
White Schnauzer Missing 04/01 in Del City (off sooner rd)  
Please Bring our Baby Bell Home and make our family whole again. Small kids missing their dog very much.

No questions asked!

Any information please contact

### USE THE "CLEAR" BUTTON

Using the "clear" button that is located on the buttons on the gas pump usually in the lower left hand side. People are getting really desperate due to the constantly rising gas prices. A friend just told me about something that happened to one of his coworkers. She used her credit/debit card to purchase gas at the pump (like most of us do). She received her receipt like normal however, when she checked her statement, there were two (2) \$50.00 charges added in addition to her purchase. Upon investigation, she found out that because she did not press the "clear" button on the pump, the employee inside the store was able to use her card to purchase his/her own gas! To keep this from happening, after you get your receipt, you must press the "**CLEAR**" button or your information will be stored until the next customer inserts their card.

(DANWA has not verified this information but it doesn't hurt to think about this on any machine that uses a credit card)
