DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

AUGUST 2015

From the DANWA President:

Greetings Friends & Neighbors,

We want to extend our gratitude to Del City, City Manger Mark Edwards for his presentation at our July meeting. Mark substituted for the Mayor Bryan Linley, who had some family matters to deal with. Mr. Edwards comments are summarized in the insert, so read it carefully and I urge you to take action, complacency could result in some rather undesirable results.

With hot weather we've endured lately, a bowl of scrumptious ice cream topped with your favorite fruit, nuts, or candies atop is sure to please. Join us on August 10 for our monthly DANWA meeting. At the close of the meeting we'll be serving up your favorites.

This may come across like preaching to the choir, but I feel it's worth saying. As a community we do a pretty good job to appreciating our military, both present and past. The parents, spouses, children and other family members are sometimes overlooked. Their sacrifices can be just as life changing as those who are serving, so remember them in your thoughts, prayers, and actions.

Join us at 7 pm on August 10 for updates on upcoming events and activities. See you then. May God bless and look over you and yours.

Ron McCall, DANWA President, **677-7923**

RESOLUTION NO. 05-04-15A

July 10, 2015

Dear Del City Citizens:

In April and May of 2015, the Cities of Del City and Midwest City adopted Resolutions opposing the introduction of treated wastewater from the Norman Wastewater Facility into Lake Thunderbird.

Lake Thunderbird is the primary source of drinking water for Del City and Midwest City and is designated a "Sensitive Water Supply," defined in the Oklahoma Water Quality Standards in Chapter 45, Subchapter 3(c) as follows, "It is recognized that certain public and private water supplies possess conditions that make them more susceptible to pollution events and require additional protection. These sensitive water supplies shall be maintained and protected." The United States Environmental Protection Agency's "National Primary Drinking Water Regulations" can be found at water.epa.gov/drink/contaminants/.

Attached is a copy of Resolution 05-04-15A adopted by the City of Del City. The Central Oklahoma Master Conservancy District (COMCD) has set up an email address at admin@comcd.net where you can express your opinion on this issue. I would encourage you to participate in the process.

If you have questions regarding this very important matter, please feel free to contact our Community Services Director, Tom Leatherbee, at (405) 670-7303 or you may email him at tleatherbee@cityofdelcity.org.

Thank you,
Mark Edwards, City Manager
City of Del City
