DEL AIRE NEIGHBORHOOD

DECEMBER 2020

From the DANWA President:

Greetings Friends & Neighbors,

Whew, can you believe that it's December already? What a whirlwind year this has been but we made it. Can you believe that Thanksgiving was just last week, followed by black Friday and cyber Monday? I'm sure not ready for Hanukkah, Christmas and New Year. Oh the joys of the season

MERRY CHRISTMAS

&

HAPPY NEW YEAR TO ALL

I am disturbed at the fact that we are no longer able to enjoy the company of our family, friends and others who have passed away this past year. My prayers go out to all of those effected.

At the November DANWA meeting I put out a challenge for personal contributions to the Shop With A Cop program. I was overwhelmed at the response as was COP Lt. Ward. Joe shows that info on lower left column on page 2.

As of this writing, we are still planning on having our DANWA General Meeting on December 14th 2020 at 7 pm. We will need to have as many of our members attend the meeting as possible, since we will be electing the officers for 2021. Only members in good standing are eligible to run for an office. If you are interested contact any of the current officers, Joe Satterwhite, or Rose Mary Bolton.

May God Bless You and Yours

Ron McCall DANWA President (405) 677-7923 danwapres@cox.net

If you haven't already done so, it's a great idea to unscrew your hoses from the outside water spigots before any freeze, otherwise you might be replacing it because of a broken pipe just inside the house.

While the early ice storm damaged many trees, the city is well aware of the need to pick the broken ones up. Be patient is the advice of the day as I have spoken to the Mayor and he advises that "all will be picked up when we get a contractor signed up...." as far as I know they will only be picking up the tree limbs.

When winter finally gets here and it is COLD outside, be sure and provide some seeds for the wild birds and don't forget to keep fresh water (not ice) outside for your outdoor pets.

Here's hoping you have a very Merry Christmas and a Happy New Year—2020 be gone!!!! Hope 2021 is much better....

10. If you're sitting in public and a stranger takes the seat next to you, just stare straight ahead and say, "Did you bring the money?"
11. When you ask me what I am doing today, and I say "nothing," it does not mean I am free. It means I am doing nothing.
12. I finally got eight hours of sleep. It took me three days, but whatever.
13. I run like the winded.
14. I hate when a couple argues in public, and I missed the beginning and don't know whose side I'm on.
15. When someone asks what I did over the weekend, I squint and ask, "Why, what did you hear?"

18. When I ask for directions, please don't use words like "east."
19. Don't bother walking a mile in my shoes. That would be boring. Spend 30 seconds in my head. That'll freak you right out.

Commercial properties (including apartment complexes, churches, schools, etc.) are responsible for their own debris removal. Please contact Public Works at [405-671-2874](tel:405-671-2874) with any questions or if assistance is needed.

OG&E or its contractors will remove tree branches interfering with power lines and stack the limbs on your curb.

For other debris on residential property, cut tree limbs into manageable sections. Stack them at the curb away from obstructions like poles, mailboxes, overhead wires, and trees. **Do not place any debris over your water meter or on fire hydrants.** Do not mix storm debris with items set out for regular bulky waste collection.

For major tree removal or trimming, like limbs and trunks leaning against property, consider hiring a qualified and bonded/insured tree trimming and removal company.

Crews will be by to pick up the limbs. You will not be charged. Once started, we expect that the process will take a significant amount of time. Thank you in advance for your patience. Code Enforcement is aware of the tree situation and will not be working complaints related to storm debris.

Please be careful when clearing trees near downed electrical lines. Do not attempt to remove tree limbs near an electrical line. Treat all downed electrical lines as live and contact OG&E via the information below.

Updates will be posted here when available.

Do not take tree debris to parks or other public property.

Your insurance may cover debris removal. For more information and FAQs, please see the [Oklahoma Insurance Department's October Ice Storm Recovery Guide](#).
