From the DANWA President:

Greetings Friends & Neighbors,

Due to the weather, last month's (February 8th) DANWA General Meeting was cancelled at the last moment. Nobody could find their ice skates. As a result, the two guest speakers, Brittany Parrott the Del City Customer Service Manager and DCPD Officer Kevin Parker have been rescheduled for our March 8th meeting.

The Auditing Committee was finally able to meet and go over the DANWA financial records for 2020. All records were found to be in good order. The appropriate records were then turned over to our tax preparers and we have sent in the Federal and Oklahoma State tax reports for 2020. No tax funds were due again this year.

Don't forget to fill out the enclosed DANWA membership application

Don't be surprised if you **don't** get a call because your garage door was open or you have a broken waterline and water is running **OUT** of your house.

Do you know what your \$12.00 a year DANWA membership (\$1.00 a month) actually does for you? It helps the patrollers notify, locate, contact, and watch for:

- someone in a back yard or elsewhere they aren't supposed to be the patroller can contact you and/or the police
- Maybe catch water running out of the house or garage due to a broken pipe
- Possibly spot a strange light (say a flashlight) moving around within a house when nobody is supposed to be there; for instance the owner of the residence is gone on vacation or the house is VACANT
- Possibly an open garage door, it's dark around the residence and nobody answers that home phone, nobody answers their emergency phone number—DANWA calls the police
- Maybe an alarm is sounding and DANWA assists by notifying the police and continues to watch the house while waiting for the police to arrive and assists the police with an emergency number to call
- Possibly a dome light remains illuminated in your vehicle and you aren't aware of it.
- Your car door's open and everything else is dark—nobody is around
- Elderly might live alone and newspapers or mail start piling up—need to contact someone to see if the occupant of the residence is okay or needs attention
- Say you go on vacation—DANWA patrollers make extra attempts and safety measures to watch the house
- There might be a lost of stray animal or even a child—DANWA can help watch for them (happened two times in 2020)
- Many times a child or elderly person gets lost—DANWA helps watch for them, no mater what neighborhood they are in
