OCTOBER 2021

From the DANWA President:

Greetings Friends and Neighbors,

As September flies by as if propelled by Achillis, October is here with a host of activities, so let's get started.

The DANWA Appreciation Dinner will be Thursday October 14, 2021, 6 pm at the Golden Corral on Sooner Rd. (just north of S.E. 15th). All Patrollers, Block Captains, Committee Members, and other volunteers are invited and may bring a guest. R.S.V.P. Pat Satterwhite (405-412-7925, or by e-mail at psatterwhite@cox.net), if you plan to attend. (ASAP). We hope to see you there.

Del City wide "Trunk or Treat" will be October 30, 2021, at the Del City Community Center, starting at 5 pm till 8 pm. This is an effort by the City to centralize the night's activities and lessen some of the traffic congestion on our neighborhood streets. DANWA will have a table set up and will be handing out sweets, so grab your little ones (or grand-kids), come on down and join the festivities. Food trucks, games, and *free* hot dogs and lots of candy are just some of what you will experience.

The Patrollers Academy that had been rescheduled to October from August has been moved back again with a date to be announced. If you are interested in attending the academy, please let me or Captain Brad Cowden, DCPD know.

And then there is the DANWA General Meeting on October 11, 7 pm, Calvary Christian Church, Youth Center, on Epperly. While we don't have a guest speaker scheduled yet, you never know who will grace us with their presence. Plus it's just great to see y'all, so come join us.

May God bless and keep you and yours

Ron McCall DANWA President (405) 677-7923 danwapres@cox.net

We could use YOUR HELP!!!

Need block captains for:

Angela from Oakbrook to Angela Circle (23)
Contact David Ellison 405-672-7904

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I get a little exercise,.

You don't have to be a member to volunteer to deliver the newsletters.

The best ways to stop Phone Spam, Scams and Robocalls.

If you are like me and get aggravated at phone calls who want to scam or cheat you out of your hard earned money, or call you on YOUR phone that you paid \$1000.00 for {FOR YOUR CONVENIENCE} trying to make money off you with their advertising!!!! I didn't purchase my phone for them to make money, I bought it for my convenience.

Most of us don't want scammers and telemarketers to bombard our phones we want the convenience of staying in contact with loved ones or friends. Here's tool and techniques to keep annoying and often malicious calls from interrupting your day.

Block Spam Calls at the device level. Both IOS and Android have basic settings to filter out unwanted calls.

- **For IOS 13 and higher**, go to Settings, Phone. Turn on "Silence Unknown Callers" feature
- **For Android**, there's a setting to enable "Filter spam calls", "Caller ID and spam protection" or "Block Unknown Callers" depending on the device.

Add yourself to the registry. It's not a perfect solution as Scam calls still slip through, but it doesn't hurt to get added to the Federal Trade Commissions National Do Not Call Registry. Their website lets you check if you've already registered your phone number, register it if you haven't and report unwanted calls that you've received.

Block spam calls by caller. If all else fails and a scam call gets through, you can block individual numbers manually to help prevent further harassment.

- **For IOS**, open the phone app and tap Recents. Then, tap on the info icon next to the number. Scroll down to tap "Block this Caller", "Block Contact."
- **For Android**, there an option to "Block Contact".

Welcome

You came here from there because you didn't like there, and now you want to change here to be like there. We are not racist, phobic or anti whatever-you-are, we simply like here the way it is and most of us actually came here because it is not like there, wherever there was. You are welcome here, but please stop trying to make here like there. If you want here to be like there you should not have left there to come here, and you are invited to leave here and go back there at your earliest convenience. Now if you were born here and don't like it here, happily go there (wherever that is) and have fun.
