 WATCH ASSOCIATION

AUGUST 2022

From the DANWA President:

Greetings Friends & Neighbors:

Just a quick reminder, school starts back up in a couple of weeks. Be extra careful when you are driving even close to a school zone, and its just not the 4-5-6 year old we need to be aware of. A word to the middle and high schoolers as well, stay off of your cell phones when you are approaching a crosswalk. You have a responsibility to keep yourself safe. We all need to be aware of your surroundings, whether we are driving or walking.

Congratulations go out to our soon to be past CPO. Captain Brad Cowden is now Major Cowden. Best wishes in your new assignment. His replacement is yet to be designated, but we have several good candidates.

Rep. Andy Fugate has agreed to join us at the August 8th DANWA General Meeting. The Oklahoma House is between out of sessions so we should be able to get a good feel of not only what has taken place already, but also some of the issues and legislation that will be coming up. Rep. Fugate has always been very gratius about answering our questions so bring them on. If you should want to contact Rep Fugate at any other time:

The Del City Fire Dept. recently received a new shipment of smoke detectors. If you or someone you know, needs a smoke detector or a new battery, contact Deputy Chief Williams at 405-671-2890. The smoke detectors and batteries are FREE.

Finally, the Appreciation Dinner for all of the DANWA volunteers (Patrollers, Block Captains [those of you who hand out the newsletters], Committee Members etc.), will be at the Golden Corral, September 15, 2022, at 6 pm. R.S.V.P. Pat Satterwhite at 405-412-7925, email psatterwhite@cox.net

Quote from Sarah Louise Delaney
"Life is short, and it is up to you to make it sweet."

I hope to see you at the next DANWA General Meeting August 8 at 7 pm

May God keep you and yours.

We could use YOUR HELP!! We need "block captains" for the following areas:

**Oakbrook Dr. (24)
from Montclair to Montrose**

**Lamar (23)
from Montclair to Montrose.
Contact David Ellison 405-641-2193**

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

You don't have to be a member to volunteer to deliver the newsletters.

I'm taking care of my procrastination issues: just you wait and see.

Can't stress this enough!!!!

Think about this for a minute!!

The weather is turning nice, you have been outside working in the yard, finished putting up your garden tools or put away the mower and you go inside to relax a minute or two, maybe even take a shower. —

[you forgot to close the garage door]

Another reminder!!

Be sure to remove your garage door opener from your car. Since some of the cases around town have been where the car was broken in to and the perpetrator got the opener and waited a few weeks [time enough where the previous break-in had worn off a little] before coming back to the house and opening the garage door to do their thievery.

Never - Never—NEVER leave valuables, especially your keys, in your vehicle!!!

With all of the “terror” surrounding our world nowadays, it’s important that we as individuals know what to do in a situation of someone shooting. Yes, I don’t like the idea either but we have the right to protect our family and our self.

I recently attended an evening of information regarding security of oneself regardless of where we are: church, fast food area, the mall, gas station, work place, etc. you name it. The following information might save your life in our current radical world. It was explained what an active shooter was and what to do in an “Active Shooter Event”. When an Active Shooter is in your vicinity, you must be prepared both mentally and physically to deal with the situation.

An active shooter is an individual actively engaged in killing or attempting to kill people in a populated area.

- ☐ Victims are selected at random.
- ☐ Event is unpredictable and evolves quickly.
- ☐ Knowing what to do can save lives.

1. RUN—

- ☐ Have an escape route and plan in mind.
- ☐ Leave your belongings behind.
- ☐ Evacuate regardless of whether others agree to follow.
- ☐ Help others escape, if possible.
- ☐ Do not attempt to move the wounded.
- ☐ Prevent others from entering an area where the active shooter may be.
- ☐ Keep your hands visible. Call 911 when you are safe.

2. HIDE

- ☐ Hide in an area out of the shooter’s view.
- ☐ Lock door or block entry to your hiding place.
- ☐ Silence your cell phone (including vibrate mode) and remain quiet.

3. FIGHT

- ☐ Fight as a last resort and only when your life is in imminent danger.
- ☐ Attempt to incapacitate the shooter.
- ☐ Act with as much physical aggression as possible.
- ☐ Improvise weapons or throw items at the active shooter.
- ☐ Commit to your actions . . . Your life depends on it.

The first officers to arrive on scene will not stop to help the injured. Expect rescue teams to follow initial officers. These rescue teams will treat and remove the injured. Once you have reached a safe location, you likely will be held in that area by law enforcement until the situation is under control and all witnesses have been identified and questioned. Do not leave the area until law enforcement authorities have instructed you to do so.

When law enforcement arrives:

- ☐ Remain calm and follow instructions
- ☐ Drop items in your hands, (e.g., bags, jackets)
- ☐ Raise hands and spread fingers.
- ☐ Keep hands visible at all times
- ☐ Avoid quick movements toward officers such as holding on to them for safety.
- ☐ Avoid pointing and screaming or yelling.
- ☐ Do not ask questions when evacuating.

Information to provide 911 operators:

- ☐ Location of the active shooter.
- ☐ Number of shooters.
- ☐ Physical description of shooters.
- ☐ Number and type of weapons shooter has.
- ☐ Number of potential victims at location.

If you have further questions, contact the FBI at 1 (202) 324-3691 seriously...
