DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

OCTOBER
2022

From the DANWA President:

Greetings Friends & Neighbors,

What a great time we had back on September 15, when DANWA had its annual Appreciation Dinner. We had 29 show up at the Golden Corral on Sooner for an evening of dining and visitation. It was an informal gathering of the various volunteers that help and support the DANWA organization throughout the year. You could be invited to join us next year by volunteering to help out with many of the services we provide to the community. Contact any of the DANWA Officers listed to the left of this article, to find out more.

Speaking of the DANWA Officers, at the December 12th meeting we (DANWA) will be having the election for the 2023 Officers. Any DANWA member may apply to enter the election. Contact Joe Satterwhite (405-850-2177) if you are interested or any of the current officers if you have questions.

Upcoming events for October:

October 29 is the date set for the Del City Trunk or Treat. From 6 pm to 9 pm we will gather in the parking lot behind the Del City High School. Several food trucks have signed up to attend, plus various organizations will be handing out candy on other prizes. It should be a great time for the kids (of all ages).

October 31 thru November 4 will be the City Wide Curbside Bulk Trash Pick Up. Additional information will be included with your Del City utility bill.

You know looking back at the Appreciation Diner, it makes me proud to live and be a part of the Del Aire neighborhood. Within our square mile, we have a very diverse representation of the populus. Whether we have social, ethnic, religious, or political differences, we live, play and work together for the common goals of all. Heck, I've even seen Sooners and Cowboys shaking hands. Look I know things are rough right now, I'm on a fixed income too, so I've had to cut back (gas, food, utilities, etc.). I have faith that if we work together, first as Americans and then as Del Aire Neighbors, we will get through these times, but it's up to us.

Quote from John F. Kennedy

"Ask not what your country can do for you, ask what you can do for your country"

I look forward to seeing you at our next DANWA meeting on October 10th 2022

May God keep you and yours

Ron McCall DANWA President 405-517-0502 cashmccall@cox.net

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

You don't have to be a member to volunteer to deliver the newsletters.

If you have something to sell or want to tell someone about something, this place is for you as well as other parts of this newsletter.

October 29 is the date set for the Del City Trunk or Treat. From 6 pm to 9 pm. The location is the parking lot behind the Del City High School. Several food trucks have signed up to attend, plus various organizations will be handing out candy on other prizes. It should be a great time for the kids (of all ages).

Also there are many churches around the surrounding cities who are also putting on "trunk or treat" by allowing the children to play games and enjoy safe festivities.

Can't stress this enough!!!!

Think about this for a minute!!

The weather is nice, you have been outside working in the yard, finished putting up your garden tools or put away the mower and you go inside to relax a minute or two, maybe even take a shower. — [**you forgot to close the garage door**]

Another reminder!!

Be sure to remove your garage door opener from your car. Since some of the cases around town have been where the car was broken in to and the perpetrator got the opener and waited a few weeks [time enough where the previous break-in had worn off a little] before coming back to the house and opening the garage door to do their thievery.

Never - Never—NEVER leave valuables, especially your keys, in your vehicle!!!

**How Old Is Grandpa?**

Stay with this -- the answer is at the end. It may blow you away.

One evening a grandson was talking to his grandfather about current events. The grandson asked his grandfather what he thought about the shootings at schools, the computer age, and just things in general.

The Grandfather replied, "Well, let me think a minute, I was born before:

television	penicillin	polio shots	frozen foods	Xerox
contact lenses	Frisbees	and the pill		

There were no:

credit cards	laser beams	or ball-point pens
--------------	-------------	--------------------

Man had not invented:

pantyhose	air conditioners	dishwashers	clothes dryers
and the clothes were hung out to dry in the fresh air and space travel was only in Flash Gordon books.			

Your Grandmother and I got married first,... and then lived together.

Every family had a father and a mother. Until I was 25, I called every woman older than me, "ma'am". And after I turned 25, I still called policemen and every man with a title, "Sir".

We were before gay-rights, computer-dating, dual careers, daycare centers, and group therapy. Our lives were governed by the Bible, good judgment, and common sense. We were taught to know the difference between right and wrong and to stand up and take responsibility for our actions.

Serving your country was a privilege; living in this country was a bigger privilege... We thought fast food was eating half a biscuit while running to catch the school bus.

Having a meaningful relationship meant getting along with your cousins.

Draft dodgers were those who closed front doors as the evening breeze started.

Time-sharing meant time the family spent together in the evenings and weekends-not purchasing condominiums.

We never heard of FM radios, tape decks, CDs, electric typewriters, yogurt, or guys wearing earrings.

We listened to Big Bands, Jack Benny, and the President's speeches on our radios. And I don't ever remember any kid blowing his brains out listening to Tommy Dorsey.

If you saw anything with 'Made in Japan' on it, it was junk.

The term 'making out' referred to how you did on your school exam....

Pizza Hut, McDonald's, and instant coffee were unheard of.

We had 5 & 10-cent stores where you could actually buy things for 5 and 10 cents. Ice-cream cones, phone calls, rides on a streetcar, and a Pepsi were all a nickel.

And if you didn't want to splurge, you could spend your nickel on enough stamps to mail 1 letter and 2 postcards.

You could buy a new Ford Coupe for \$600, but who could afford one? Too bad, because gas was 11 cents a gallon.

In my day: "grass" was mowed, "coke" was a cold drink, "pot" was something your mother cooked in and "rock music" was your grandmother's lullaby. "Aids" were helpers in the Principal's office, "chip" meant a piece of wood, "hardware" was found in a hardware store and "software" wasn't even a word.

And we were the last generation to actually believe that a lady needed a husband to have a baby.

How old do you think he is? I bet you have this old man in mind...you are in for a shock!

Read on to see -- pretty scary if you think about it and pretty sad at the same time

Are you ready ????? This man would be 75 years old today.(2022)

GIVES YOU SOMETHING TO THINK ABOUT... PASS THIS ON TO THE OLD ONES, The younger generation would not understand.
