DEL AIRE NEIGHBORHOOD WATCH ASSOCIATION JANUARY 2024

You asked “What is DANWA?”

A neighborhood watch association that includes one square mile in Del City, OK., that's approximately 1700 homes and businesses. Membership dues are ONLY \$12.00 a year, (one thin dollar a month). The current membership is just over 300, that's one fifth of the possible membership. There are 6 officers, and approximately 20 members and guests that regularly attend the monthly meetings and make decisions on working with and through the following:

- Provide Gatorade/Powerade to Del City Police and Fire Departments
- Donate to help provide dinners for the Del City High School football players on game days, who by the way went undefeated last year and almost took state..
- Donate to the Tinker food bank
- Take up collections and donate to Shop With A Cop (SWAC)
- Participate in and provide candy for the city's trunk or treat
- Provide Door prizes at General Meetings
- Donate to the church for usage of their building for DANWA General Meetings
- Purchase office supplies, applications, and envelopes
- Host the Appreciation dinner for those who volunteer their help
- Participate in the Shriners and Memorial Day parade helping police block entries and exits to the parade route.

So with that being said, we could use your help with the following:

Looking for new members, young and older to join within the DANWA area. If you aren't a member, why not? You are definitely missing out. Notice above how we are involved within the community. Just a few hours of your time will greatly help. New ideas??

Volunteering— Just because you are a member doesn't mean you have to volunteer but it is a whole lot more fun than you might think. We need more block captains (those who deliver the newsletters), more patrollers (eyes and ears to help the police), more committee members meeting members to help make decisions on the above adventures and will help make the association stronger, we need your ideas.

If you are young or older, new to the neighborhood, want to learn how you can help by being a patroller, or block captain, and learn how to help the policing of our community by being the extra eyes and ears for the Police which in turn helps safeguard our neighborhood. We need more patrollers, committee members, more warm bodies to help provide information and make decisions.

Because you don't see the blinking lights on vehicles, doesn't mean we aren't patrolling. Many times, for instance, I have to go to the store and don't have time to put the signs and blinking lights on my vehicle but I am still watching and looking around the community for strange happenings. But we can always use MORE patrollers.

So I ask you to be brave and join. Take advantage of being a DANWA member and participate. Our crime is lower than ever and that is largely due to being an association that is active and wants to keep crime down. Be one who cares to keep crime in our area low. You would be surprised to know your neighbor wants to be a member too so encourage them, partner with them to help keep our association strong. Four eyes are better than two eyes, eight are better than four, sixteen are better than eight and so on.

We could use YOUR HELP!! We need "block captains" for the following areas:

S.E. 37th from Sunnyslane to Epperly

**Contact Ron McCall
405-517-0502**

Woodview (37)
From Vickie to Del View

Contact Steve Gold 405-501-7080

Bismarc Dr. (27)
from Montclair to Montrose

Montclair (21)
from Bismarc to Oakbrook

Contact David Ellison 405-641-2193

If you can spare some time, we can use block captains to help deliver the DANWA newsletter. Some blocks only have 20 homes to deliver to, most are less than 25 homes. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

You don't have to be a member to volunteer to deliver the newsletters.

I've got to pass these along as I do find them hilarious:

THEY WALK AMONG US

I was at the checkout of local Wal-Mart. The cashier rang up \$46.64 charges. I gave her a fifty dollar bill. She gave me back \$46.64. I gave the money back to her and told her that she had made a mistake in MY favor. She became indignant and informed me she was educated and knew what she was doing, and she returned the money again. I gave the money back— - same scenario! I departed the store with the \$46.64.

I walked into Starbucks with a buy-one-get-one-free coupon for a Grande Latte. I handed it to the girl and she looked over at a little chalkboard that said "buy one get one free." They're already "buy one get one free," she said, "so I guess they're both free." She handed me my free lattes, and I walked out the door.

One day I was walking don the beach with some fiend, when on of them shouted, "Look at the dead bird!" Someone looked up at the sky and asked, "Where?"

I used to work in technical support for a 24/7 call center. One day I got a call from an individual who asked what hours the call center was open. I told him, "the number you dialed is open 24 hours a day, 7 days a week." He responded, "is that eastern or pacific time?" Wanting to end the call quickly, I said "uh, Pacific."

My friend has a lifesaving tool in her car designed to cut through a seatbelt if she gets trapped. She keeps it in the trunk.

While working at a pizza place, I observed a man ordering a small pizza to do. He appeared to be alone, and the cook asked him if he would like it cut into four pieces or six. He thought about it for some time before responding.

"Just cut it into four pieces, I don 't think I'm hungry enough to eat six pieces.

I couldn't find my luggage at the airport baggage area, so I went to the lost luggage office and told the woman there that my bags never showed up. She smiled and told me not to worry because she was a trained professional, and I was in good hands. "Now," she asked me, "has your plane arrived yet?" So I replied, "No Ma'am, the Pilot told us we're circling the airport, 3rd in line to land.

YEP, THEY WALK AMONG US...BLESS THEIR HEARTS

From the DANWA President:

Greeting Friends and Neighbors

While I seriously doubt that Hanukkah, Christmas, or New Year's Eve will be canceled or postponed, especially due to bad weather (remember Trunk or Treat)? I do hope that you had a wonderful and joyful holiday season and the new year is looking healthy and prosperous.

As those who were at the December 11th DANWA meeting know, Sandy Hightower was elected to be the Assistant Treasure for 2024. Her background check (somehow) was approved, and Sandy will be installed at the January 8, 2024 meeting. Secretary Pat Satterwhite, Treasure Rex Warlick, Vice President Jim Gordon, and President Ron McCall all were unopposed and were thus elected to retain their positions for 2024. No one was elected to the vacant position of Patrol Captain. I do want to thank Darrell Robinson for volunteering to be the Interim Assistant Treasure for December 2023.

Other than New Years Day and Martin Luther King Jr., January appears to be a pretty quiet month, the first we've really had since August. So take a deep breath and relax.

Once again we are excited to welcome Oklahoma House of Representative, District 94 , Andy Fugate to our meeting on February 12, 2024. Rep Fugate has served as the Minority Floor Leader in the Oklahoma House, Veterans and Military Affairs Committee, Government Modernization Committee, Technology Committee, Education Appropriation and Budget Committee, and State and Federal Redistricting Committee. Since the House will have already been in session for a week, Rep Fugate will be able to give us an overview of some of the legislation and issues this year. I, for one, am looking to hear from him and I hope you will join us.

Quote from Pam Munoz Ryan

Our flag is our country's symbol of ideals that are meant to last.

May **GOD** bless and keep you and yours

See you January 8, 2024 7 pm

Cooler weather has finally arrived, here's hoping you have unconnected your hoses from the spigot's, remembered to keep your pet's bowl filled with fresh water and if frozen, removed the ice and refilled with fresh water, and provided them with shelter of some kind whether it be dog house or patio.

When's the last time you checked the oil in your car, the recommendation is to check it every time you fill up with gas. That's a good rule of thumb. And when it snows and the vehicle is covered in snow, remove all of it to include the top of the vehicle before you take off. Ever been behind someone who didn't and all of a sudden here comes a HUGE amount of snow or ice flying off the vehicle in front of you!!! Make sure your windows are defrosted.
