DEL AIRE DEFENDER

DEL AIRE NEIGHBORHOOD
WATCH ASSOCIATION

NOVEMBER 2025

From the DANWA President:

Greetings Friends and Neighbors

At our October General Meetings the members in attendance voted in changes, revisions and additions to the By Laws of the Del Aire Neighborhood Watch Association. This has only happened six (6) times in our thirty (30) year history. I thank the Bylaws committee: Joe Satterwhite, James Hightower, James Standfill, Carolyn Coppenbarger, and Dan Chalender, for their hard work and many hours in developing these changes. One of the more notable issues is the increase in the annual membership fee, which will increase to fifteen dollars (\$15.00). The fee will no longer be pro-rated and all funds received in excess of the \$15.00, will be considered a donation, as it always has before. Renewal date remains March 1st. Most of the other revisions were made to update verbiage, add clarity and define parameters. Copies of the new Bylaws will be available at the November 10th, General Meeting.

A special thank you to all of those who came out and supported the Shop With A Cop fundraiser at McDonalds this year. It's always a lot of fun and such a great cause. By the way the \$5.00 coupon sheets will continue to be available.

This year's Trunk-N-Treat was a big hit. Sandy Hightower came up with the idea of a pirate theme, with pirate hats, a sea full of sharks, and a wooden plank that led to the treats. Thank you to all of you who donated candy and other goodies.

Happy 250 year Birthday to all my fellow Marines on November 10th. Semper Fi!

November 11th is Veterans Day - Thank You to all of those who have and are serving during times of war and other conflicts.

Thanksgiving is on November 27 and I can hardly wait. At least then I can use the old excuse "You shouldn't let good food go to waste". Thank You Lord.

Quote from John F. Kennedy

This Nation was founded by men of many nations and backgrounds. It was founded on the principle that all men are created equal, and that the rights of every man are diminished when the rights of one man are threatened.

May GOD keep and bless you and yours, see you on November 10th at 7 pm

!!!!!! HELP !!!!!

We could use YOUR HELP!! We need "block captains" for the following areas:

S.E. 42nd from Sunnyslane to Wofford (13)

Sunnyslane Cir. and Sunnyslane Place (12)
off of 42nd

Wofford from 44th to 37th (46)

S.E. 40th from Epperly to Sunnyslane (35)

S.E. 41st from Epperly to Sunnyslane (24)

Contact Jim Highfill 405-206-7457

Newport From Vickie to Del View (34)

Contact Steve Gold 405-501-7080

Block Captains help deliver the DANWA newsletters. Some blocks only have 20 homes to deliver to, some have more as shown in parentheses above. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

Can you spare some time?

You don't have to be a member to volunteer to deliver the newsletters, it's good exercise.

Hi folks, if there is any way you can see to helping a fellow out—notice the areas listed above of coverage needed to deliver the newsletters once a month. It's not a hard job to do, just a little walking which is good exercise. I'm pleading for my district captains. You could eventually loose getting the free newsletter.

PLEASE HELP.....

Changes to the bylaws were approved at the October 13th meeting. Changes are effective as of that date, one change that affects all members was the increase in yearly dues to \$15.00 and the membership is from March 1st to February the following year. Other changes within were basically updating and corrections in typing. Thank you for your support to DANWA and we look forward to your continued membership.

Safety Tip: You should check your tire pressure at least once a month and before every long trip to ensure safety, improve fuel economy, and prolong tire life. You can find your vehicle's correct tire pressure on a sticker located on the driver's side door jamb and in the owners manual.

Another Safety Tip: As I drive around our neighborhood I see a lot of vehicles with burned out lights. It is a good idea check if all your lights are working. Test all lights, including headlights, turn signals, brake lights, backup, and hazard lights, using a helper or reflections to verify all are working. You could avoid or ticket or accident.

Thank you Steve

HELP HELP HELP HELP HELP HELP

Folks, as you can see our pleas for help in getting the newsletter out to our community have not been successful lately. We are the most active neighborhood watch group in Del City and you would think we would have more folks involved in trying to keep our neighborhood safe and clean. We're in need of more people to help out in being a block captain. Notice the 6 areas in need of block captains where we could use some help in distributing the newsletters.

A district captain distributes the newsletters to the block captains and the block captains are the ones who make sure they get on your door. If there are no block captains, it's a good possibility that the newsletters will not be delivered soon. The fate of the newsletter being delivered could well be on YOUR hands. Thanks, editor

Thanks to all who attended the volunteer's appreciation dinner.
