# Del Aire Defender

DEL AIRE NEIGHBORHOOD  
WATCH ASSOCIATION

JANUARY 2026

## From the DANWA President:

Greetings Friends and Neighbors

“While some things change, other things remain the same.” I’m not sure where that phrase originated, but it rings so true. Speaking of ringing, I trust that you rang in Christmas and the new year with peace and in good health. As far as change, one thing that didn’t change for 2026 is the DANWA Executive Board. At the December 8th meeting, those present, unanimously voted to retain the 2025 officers for the next year. While we appreciate the vote of confidence, we need others to step up and take over the helm.

On December 13th, some of you were enjoying the OU vs OSU bedlam basketball game while others were engrossed in the Navy vs Army football game, but I had the best show. I was at Walmart watching 17 children (7 from Townsend) having the shopping frenzy at Shop With A Cop. This annual event has been going on for fourteen years now and with everyone’s support will hopefully continue for several more.

In the February edition of DANWA’s Del Aire Defender, you will have the new DANWA membership form. Renewal date is March 1st. Keep in mind that the annual fee has increased to **\$15.00 per year**. Be sure to fill out the membership form **completely**, put it in the provided envelope, with your check, or money order, and drop it in the mail.

With March 1st, comes the start of our fiscal year. It’s time to start thinking about the next budget. There are certain ongoing expenses amounting to around \$2,500.00 that have to be covered each year, but that leaves another \$2,500.00 or more of discretionary spending. Your input in this matter is what makes this **your** Association.

Quote from Eleanor Roosevelt

**The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experiences.**

May GOD Bless you and yours

See you January 12th, 2026, 7 pm

Block Captains help deliver the DANWA newsletters. Some blocks only have 20 homes to deliver to, some have more as shown in parentheses above. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

Can you spare some time?

**You don't have to be a member to volunteer to deliver the newsletters, it's good exercise.**

If your are interested in becoming a District Captain or Block Captain, contact Joe at 405-850-2177

District Captain distributes various quantities of the newsletter to the Block Captains. > >

### **You asked “What is DANWA?”**

A neighborhood watch association that includes one square mile in Del City, OK., that's approximately 1700 homes and businesses. Membership dues are ONLY \$15.00 a year. The current membership is just under 300, that's one fifth of the possible membership. There are 6 officers, and approximately 16 members and guests that regularly attend the monthly meetings and make decisions on working with and through the following:

Provide Gatorade/Powerade to Del City Police and Fire Departments. Donate to help provide dinners for the Del City High School football players on game days, who by the way made it to the semi-finals for state with one loss during season play. Donate to the Tinker food bank. Take up collections and donate to Shop With A Cop (SWAC). Participate in and provide candy for the city's trunk or treat. Provide Door prizes at General Meetings. Donate to the church for usage of their building for DANWA General Meetings. Purchase office supplies, applications, and envelopes. Host the Appreciation dinner for those who volunteer their help. Participate in the Shriners and Memorial Day parade and helping police block entries and exits to the parade route.

**So with that being said, we could use your help with the following:**

**Looking** for new members, young and older to join within the DANWA area. If you aren't a member, why not? You are definitely missing out. Notice above how we are involved within the community. Just a few hours of your time will greatly help. New ideas??

**Volunteering**— Just because you are a member doesn't mean you have to volunteer but it is a whole lot more fun than you might think. We need more block captains (those who deliver the newsletters), more patrollers (eyes and ears to help the police), more committee members meeting members to help make decisions on the above adventures and will help make the association stronger, we need your ideas.

If you are young or older, new to the neighborhood, want to learn how you can help by being a patroller, or block captain, and learn how to help the policing of our community by being the extra eyes and ears for the Police which in turn helps safeguard our neighborhood.

**Because** you don't see the blinking lights on vehicles, doesn't mean we aren't patrolling. Many times, for instance, I have to go to the store and don't have time to put the signs and blinking lights on my vehicle but I am still watching and looking around the community for strange happenings. But we can always use MORE patrollers.

**So I ask you** to be brave and join. Take advantage of being a DANWA member and participate. Our crime is lower than ever and that is largely due to being an association that is active and wants to keep crime down. Be one who cares to keep crime in our area low. You would be surprised to know your neighbor wants to be a member too so encourage them, partner with them to help keep our association strong. Four eyes are better than two eyes, eight are better than four, sixteen are better than eight and so on.

The Shop With A Cop (SWAC) program this year was a SUPER-HUGE community achievement where the Del City Police Department in partnership with the neighborhood watch groups, Wal-Mart, McDonalds, Sunnyleane Cemetery, and Cristo Rey provided a wonderful Christmas present for 21 needy children.

Prior to going to Wal-Mart the Del City Nazarene Church provided breakfast for the children and police. The DCPD provided transportation and helped the children shop. The neighborhood watch groups worked with McDonalds selling baked pies and various other food items and collected donations which provided \$250.00 to each child to shop with. Wal-Mart donated a bicycle to each child and also provided all the wrapping paper and boxes needed to finish the presents. Cristo Rey along with some students from Del City High School wrapped the presents.
