Dates to remember:

DANWA General Meeting— Calvary Christian Church in the annex north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.

From the DANWA President:

Greetings Friends and Neighbors

As I patrol through the area (DANWA), it's so encouraging to see all of the USA Flags, banners and other patriotic symbols being displayed in anticipation of our 250th Anniversary. What a beautiful site.

If you stop and think about it, there are several of us who have lived and experienced over one fourth of those 250 years (62.5). The things we've seen that have shaped and reshaped our lives are amazing. Yet through it all we, as a country, keep striving for a better nation in so many ways. It is that effort to be, to do, to live, better, that makes me so proud to be a citizen of the United States of America. I thank GOD that I have been blessed to have been a small part of the history of this, the greatest county on this earth. **Here's to another 250 years of freedom.**

Newport From Vickie to Del View (34)

Contact Steve Gold 405-501-7080

Oakbrook Dr. from S.E. 41st to Angela (16)

Angela from Angela Cir. To Del View (15)

S.E. 41st from Angela to Sooner (28)

Contact David Ellison 405-641-2193

Block Captains help deliver the DANWA newsletters. Some blocks only have 20 homes to deliver to, some have more as shown in parentheses above. If you can help with any of these please contact any of the District Captains above. It takes me about 15 minutes to deliver 23 and I even get a little exercise.

Can you spare some time?

You don't have to be a member to volunteer to deliver the newsletters, it's good exercise.

CODE ENFORCEMENT (405)677-5741 EXT 7379

Or email: CODECOMPLAINTS@CITYOFDELCITY.ORG

There seems to be a lot of confusion with residents not knowing when Bulk Trash Pickup is and how it works.

Bulk trash service is provided once a month for each area of the city. To maintain safe, clean neighborhoods, residents **MUST** follow rules for placing bulk trash at the curb.

Do not set bulk trash out early. Placing bulk items at the curb too early can create safety hazards, block sidewalks, attract illegal dumping and hurt the appearance of our community.

Be advised: Bulk trash placed at the curb outside of your scheduled week is a **VIOLATION OF CITY CODE**. Residents who do so may be subject to **CITATIONS AND FINES IN ADDITION TO POSSIBLE REMOVAL COSTS**.

Only place bulk trash on the curb **on your assigned week**. For Ward 1 it is first full week of the month, for Ward 3 it is the third full week of the month.

KEEP PILES NEAT AND CLEAR of fire hydrants, mailboxes, utility meters, power lines, and trees.

Loose items **MUST** be bagged or boxed for removal.

Piles larger than 4 cubic yards but less than 8 cubic yards will result in a **FEE** added to the utility account, 9 cubic yards or more will **NOT** be picked up.

Information about your scheduled week is available in the Events Calendar on the City's website at:
[cityofdelcity.gov/Residents/Events Calendar](http://cityofdelcity.gov/Residents/Events%20Calendar)

Your cooperation ensures that bulk trash service runs smoothly and that our neighborhoods remain safe and attractive, reflecting the pride of a community with ***Deep Roots and a Relentless Spirit***.

RESIDENTIAL SANITATION PICKUP

To ensure reliable and efficient sanitation for all residents, please take note of the following rules for household trash collection:

CONTAINER REQUIREMENTS

All household garbage must be placed in City-approved polykarts with lids securely closed. Loose bags, boxes, or scattered debris will not be collected.

PLACEMENT AND REMOVAL TIMES

Polykarts are to be placed at the curb no earlier than 6:00 PM the evening before your scheduled pickup day. Polykarts must be removed from the curb no later than 8:00 AM the following day after collection.

PROHIBITED ITEMS

Household garbage **ONLY**. No construction debris, tires, hazardous waste, paint, electronics, or bulk items.

Bulk trash and yard waste are collected separately under specific programs.

PLACEMENT AT THE CURB

Place polykarts at the curb with the lid opening facing the street at least 4 feet apart. This allows the mechanical arm to grab each container without risk of knocking them over.

Keep polykarts at least 3 feet away from mailboxes, parked vehicles, fire hydrants, utility poles, and utility meters.

ENFORCEMENT

Failure to follow these rules may result in missed collection. You may request a return pickup by calling (405)671-2873. A fee for each polykart will be added to the utility bill.

By following these guidelines, you help keep our sanitation system safe, efficient, and dependable for everyone in the community.

For more information about sanitation rules, schedules, and disposal options for special items, please visit the City's website or contact Sanitation: **WEBSITE** cityofdelcity.gov/sanitation **PHONE** (405)671-2873

The action to abate an unsightly nuisance from private property takes much time by city officials, and the work is steadily ongoing. Two things neighbors can do to address this issue. First, Code Enforcement Officers cannot drive around looking for code violations. They can and do however react to complaints filed by citizens. So when you are confronted with a bad situation you should contact code enforcement at 405-677-5741. Second, sometimes the property owner or resident at a blighted site is suffering from physical or financial difficulties. It is possible that DANWA may be able to help by offering neighborly assistance to help clean up a situation.

If you notice stray dogs or cats or wild animals such as possum, foxes, or skunks that interfere with your life style at home or property you should contact Del City Animal Control at once. Perhaps a neighbors pet is being a nuisance, and you cannot seem to resolve the issue, then you should contact Del City Animal Control. When needed, you can contact animal control via police dispatch by dialing 405-677-2443.

As we patrol the neighborhood we see wrecked vehicles that should be garaged, OUT OF SIGHT but are left outside. What a lovely sight when you come into your neighborhood!!! Many times you parked on the curb and have not moved it for weeks, for whatever reason. This is a problem that should never happen. Yes you can dog me all you want on these situations but too many times it has been let go and many parts of the city are starting to look TRASHY. Stop and think about it, is your untagged car still sitting in the driveway backwards so the police can't see there is an outdated tag or no tag at all the vehicle. That is illegal, there must be a tag of some sort and it must be within date.

On we go to TRASH.... The city has made every effort to help the citizens clean up their property and you can put your bulk trash out THE WEEK OF PICKUP which is established by wards. If you are in Ward 1, the first week of the month is Bulk Trash Pickup for your ward. DON'T WAIT till Monday night to put it out. You will be in the situation of someone calling in and reporting you have trash on the curb and you are obligated to pay the city to come pick it up. For Ward 3 it is the third week of the month and same goes for you, DON'T WAIT till Monday night to put it out!!!! Unfortunately this, to me, has created more problems in that there is trash sitting out ALL MONTH LONG. Now if for some reason it wasn't picked up, there might be more of an issue of what you have laying out there, i.e. tires, batteries, are a NO NO!!! That's not the only NO NO so you should contact the City and find out what is going on.

So you missed the bulk trash pickup day, call City Hall 405-671-2873 and pay to have them come pick it up, it's so unsightly and trashy because you didn't think ahead and get it out correctly for the bulk trash pickup day!!!

If you have questions about any of it call 405-671-2873 and even go on line to: cityofdelcity.org and see for yourself that can be done or who to call.

So give your neighbor a break and clean up YOUR mess!!!
