District 1: Steve Gold—405-501-7080 District 2: Ron McCall—405-517-0502 District 3: Jim Highfill—405-206-7457 District 4: David Ellison—405-641-2193 ----- DANWA Website www.danwa.org Del City Code Enforcement 405-677-5741 ext. 7379 codecomplaints@cityofdelcity.org DCPD Animal Control Officer 405-677-2443 Del City Customer Service Mgr. Tracy VanHorn tvanhorn@cityofdelcity.org 405-677-5741 ext. 6212	FROM THE DANWA PRESIDENT: Greetings Friends and Neighbors On Saturday, September 19th, 2026, some of the patrollers from Mid-Way Village Neighborhood Watch and Del North Neighborhood Watch joined forces with the DANWA patrollers for what we call a Blinky Blitz in the Del Aire neighborhood. I want to thank them for their participation. Now you are probably asking, “what’s a Blinky Blitz”, so here goes. About once a month, the involved patrollers, with their yellow blinky lights and magnetic signs attached to their vehicles, gather within one of the six Del City Neighborhood Watch areas and for the next couple of hours, we traverse that area. This may be in the form of follow the leader / train procession, OR we may do a shotgun deployment where everyone just scatters out. While we are still doing normal patrol duties, (see something - say something) our main purpose with a Blinky Blitz is to create awareness of the presence of the Watches and the patrollers. Opinions differ, but this is quite fun. We get to interact not only with the other patrollers but also with many of the residents of the area we are in. So how do you get to enjoy this and other such fun stuff? It’s simple and easy, all you have to do is volunteer to become a patroller, heck I did it 30 + years ago. Step one is to contact me or Jim Gordon, DANWA’s acting Patrol Captain. Step two is to fill out the form for a background check which is performed by the Del City Police Dept. If you pass the background check, we move to Step 3, you’ll be given a DANWA Patrollers Handbook, which outlines the things a patroller needs to look for while patrolling, the do’s and don’ts of patrolling, and a bunch of other helpful information. After becoming familiar with the handbook, we move on to Step 4, the ride along. You will do at least three ride along patrols the Patrol Captain or a seasoned patroller. Upon successful completion of the ride along you will be given a cap, shirts, magnetic signs, blinky light, and your own patroller number. Something to remember as volunteer’s, patrollers are NOT the police, we are simply an extra set of eyes and ears. We do not interact with the bad guys. If you see something suspicious, you call dispatch and stand by. If you think you are ready to become a patroller or if you need more information, call or text me or Jim. We have several key dates coming up in October: Oct. 8th The DANWA Appreciation Dinner RSVP Pat Satterwhite 405-412-7925 Oct 15th SWAC Fundraiser at McDonalds 5-8 pm Oct 24th Del City Trunk or Treat at Integris Health Hospital 4801 S.E. 15th, 4-7 pm Quote from Charles Dickens: The sun himself is weak when he first rises, and gathers strength and courage as the day gets on. May GOD bless and keep you and yours, see you October 12th Ron McCall, DANWA President 405-517-0502 cashmccall@cox.net	
<u>Dates to remember:</u> DANWA General Meeting— Calvary Christian Church in the annex north of the church, 3900 Epperly Dr. at 7:00 pm, second Monday of the month.		

!!!!!! HELP !!!!!!

We could use YOUR HELP!! We need
"block captains" for the
following areas:

S.E. 40th - Epperly to Sunnyslane (35)

S.E 43rd - Wofford to Epperly (12)

Epperly - 44th to 42nd Terrace (28)

Contact Jim Highfill 405-206-7457

Newport From Vickie to Del View (34)

Contact Steve Gold 405-501-7080

Oakbrook Dr. from S.E. 41st to Angela (16)

Angela from Angela Cir. To Del View (15)

Contact David Ellison 405-641-2193

**We desperately need block
captains for the above
streets within the next two
months or
delivery may be
suspended. Notice below
V V V V V V V V V V V**

One more month has slipped by, if you notice
your block area above is still on this list,
consider volunteering to deliver that area. It is
highly possible that you will not receive
newsletters after the next month passes.

A bus driver goes the wrong way down a one-
way street. He passes the cops, but they don't
stop him. WHY?

Answer: He was walking

It's pretty obvious to me that a lot of people do not read the newsletter or pay attention to their property and surroundings. I have posted many times about grass height, grass growing into the street over the curb; stop and think about it, the taller it is the harder it is to mow later and harder to see the rodents that run around in those areas.

I continue to drive around and see trash bins side by side without space and you wonder why they didn't pick it up?? Separate them at least 3 feet apart so those long arms can get in between the bins.

Brush or downed trees in the front yard by the mailbox or over the water meter.....**no, don't do that**, another reason for it to not be picked up. Leave at least 4 ft space from your mailbox or water meter, etc.

Yes I know I'm being redundant but sometimes it takes two or three times for it to sink in that you need to abide by the guidelines set forth for city services. Yes sir, I said it again because it leads to Code Enforcement.

Code enforcement: There is a reason for codes in any city. The regulations contained within the codes are necessary to encourage the most appropriate uses of land; to maintain and stabilize the value of property; to reduce fire hazards and improve public safety and safeguard the public health; to decrease traffic congestion and its accompanying hazards, to prevent undue concentration of population; and to create a comprehensive and stable pattern of land uses upon which to plan for transportation, water supply, sewerage, schools, parks, public utilities, and other facilities. So interpreting and applying the provisions of the various codes within the Planning and Zoning Ordinance, shall be held to be the minimum requirements for the promotion of public health, safety, comfort, convenience, and general welfare.

Friendly reminder to residents and property owners to keep lawns and vacant lots properly maintained by regularly mowing and removing weeds. As stated above, tall weeds and grass are considered a public nuisance under City ordinance and can attract pests, create fire hazards, and negatively impact neighborhood appearance. Working together to maintain our properties helps keep Del City safe, clean, and welcoming for everyone. Watch out for your neighbor and be a good neighbor by keeping your lawn mowed, trees trimmed and basic maintenance of your property.

A reminder: Del City has signed an agreement with the City of Midwest City for safe disposal of unwanted or expired household hazardous waste. Drop-offs by appointment only.

Acceptable items: acid, bases, corrosive materials, aerosol cans, automotive fluids, batteries, fertilizers, pesticides and more. See midwestcityok.org for full list and details.

LOCATION: 8726 S.E. 15th Street, Midwest City, OK 73110

DAYS: Monday | Wednesday | Friday, Hours vary. By appointment only
Call (405) 739-1049 to schedule an appointment

For ease and keeping up with the times and wanting to get the newsletter via email, do the following: Go to 'www.danwa.org', scroll down and click on DANWA DARTS and follow instructions on that page. You will still get the paper copy as there is no way we can separate delivery individually. You'll just receive it quicker than paper delivery. Plus, some of it is in color.

Did you know: Del City became a part of Oklahoma in 1948 and was the dream of George Epperly, who named the city after his daughter. In 1946, George I. Epperly, a Capitol Hill home builder, purchased 160 acres of unincorporated Oklahoma County land at the corner of S.E. Twenty-ninth Street and Sunny Lane Road. The first of the fifty houses he built was ready for occupancy in 1947, and the remaining forty-nine were purchased so quickly that many families moved in before the finish carpentry was completed. By 1948, there were two hundred families living in the area, and Del City was officially incorporated by a vote of its residents that same year. Epperly named the town after his eldest daughter, Delaphene, and Del City was born.

DANWA is so grateful to the City of Del City for making printing capabilities available for the newsletter. In reality the newsletter would have gone by the wayside as the monthly printing cost are astronomical. The other neighborhood watch groups are also taking advantage of the opportunity by printing their membership information as well. While we continue to print 1650 copies monthly other neighborhood watch groups only print quarterly and distribute only to their membership, leaving out a portion of their watch area. Our monthly editions provide monthly crime stats which include city wide crime stats, current contact points for the city and our DANWA officers, volunteer operations and monthly information vs. quarterly information. We are proud to have served our square mile for over 25 years and hope you continue to enjoy and "hopefully" read the newsletter.

FOR SALE: Jazzy Electric Wheelchair, excellent condition, with nylon cover, plug in powerup jack, right hand control panel/joystick. Please call or text 916-284-6234 for further details. Asking \$800.00 we are local in Del City.
